Customers need not have huge amounts of junk, debris, or trash to get rid of to be able to rent a roll of dumpster. Customers can book a dumpster rental online and schedule a delivery. They can also call the company on the phone, especially if they have questions to ask.

It is important to note that the local authorities in Carmel require people to have dumpster permits before scheduling a dumpster rental and having it placed in a public area, such as a sidewalk or a street. However, a permit is not needed if the dumpster will be placed in a private area, such as a private driveway or in the yard.

Aside from Carmel, Salty Dog Trash also services other areas, including: Fishers, Noblesville, Westfield, Anderson, Alexandria, Muncie, Yorktown, Pendelton, and Fortville. They also serve all of Madison, Delaware, Marion, Hamilton, and Hancock Counties. If the project site is located beyond that radius, they may still be able to provide the service.
