Kennesaw Dentist West Cobb Dentistry Is Accepting New And Returning Clients

September 27, 2021

September 27, 2021 -
Kennesaw dentist office West Cobb Dentistry is accepting new clients and encouraging existing clients to take care of the regular dental cleanings that they may have missed due to COVID.

A spokesperson for West Cobb Dentistry talks about the effect of COVID on the clinic?s operations by saying, ?As the entire country is just getting back on track after the disastrous effects of the 2020 pandemic, we are glad to announce that we are scheduling appointments for new and existing clients who might have gone a long time without their regular dental checkups and cleaning. If you are still worried about coming to our office due to the risk of infection, rest assured because we follow all CDC recommended guidelines to make sure our practice and our premises are hardened against the transmission of the coronavirus. We follow all social distancing norms, provide hand sanitizer, and require our entire staff to wear PPE at all times. It is true that you can never be too careful against this deadly virus but we are taking all the precautions to make our practice as safe as humanly possible for everyone. So give us a call today or head over to our website to book the appointment that you?ve been postponing for a long time.?

Speaking on the coronavirus pandemic, the dental clinic?s spokesperson says, ?According to statistics that the New York Times developed in conjunction with experts from the Johns Hopkins Bloomberg School of Public Health, Cobb County is seeing a steady resurgence in COVID cases. However, a significant majority of the new cases are observed in unvaccinated individuals. So if you have still not received your vaccine shot, this is a critical time for you to get vaccinated and lower your personal risk of catching the coronavirus. When you resume your regular life and feel confident about your immunity, our office will be always open for you to get the dental help that you need.?

The team at West Cobb Dentistry offers services such as dental implants, bonding, porcelain veneers, teeth whitening, teeth cleaning, natural-looking teeth filling, removable dentures, TMJ/TMD treatment, composite bondings, cosmetic dentistry, dental crowns, dental bridges, oral cancer screenings, dental sealants, and

periodontal treatment.

The clinic says on its website that it values patient relationships and makes delivering gentle and compassionate care its top priority. The clinic aims to make the patient feel at ease by providing exceptional patient care in a relaxed, convenient atmosphere. The clinic utilizes the latest dental technology that is supported by the efforts of professional and compassionate staff to give its clients beautiful and healthy smiles that last for a lifetime.

As of the time of writing, the dentist?s office has a near-perfect rating of 4.9 out of 5 on its Google My Business listing from over 180 reviews. Clients all across Cobb County are visiting the dentist and enjoying the quality of care and customer service. A recent review on the dental clinic?s GMB listing says, ?Love this dentist office. Everyone is so friendly and welcoming. They explain every step of the process making your dental experience fearless and effortless.
