

BlueStar Roll-Offs Dumpster Rental Explains How to Book a Dumpster Rental in Russellville KY

September 09, 2021

September 09, 2021 - PRESSADVANTAGE -

BlueStar Roll-Offs Dumpster Rental wants to emphasize how easy it is for people in Russellville, KY, to book a dumpster rental online through their website. They have simplified the process of renting a roll-off dumpster so that people can easily reserve their dumpster whenever they require it, have it delivered on time, and pay a reasonable price. The company's team of professionals are ready to lend a helping hand to residents of Russellville to get rid of their unwanted junk and trash so that can benefit from a clean and uncluttered home or building.

Shaphan Miller, a spokesperson for BlueStar Roll-Offs Dumpster Rental, says, "Here at BlueStar Roll-offs Dumpster Rental, we have the ideal dumpster rental solution for your next undertaking. There are numerous different sorts of tasks that need making use of a dumpster rental. Thankfully, we have various sizes of roll-off dumpsters for our clients to select from, which helps to make certain that you're getting the ideal one for the job. With years of devoted service delivering dumpster rentals for all kinds of jobs, we can assist you in choosing the best roll-off dumpster for your upcoming job. We make it so basic and simple to get rid of your undesirable scrap and waste that you'll be asking yourself why you didn't do it quicker."

Available sizes of roll-off dumpsters from BlueStar Roll-Offs Dumpster Rental are the 12 yard dumpster, 20 yard dumpster, and 30 yard dumpster. Their 12 yard dumpster is commonly used by small business owners and homeowners. It measures 12 feet by 7 feet 6 inches by 4 feet. This is small enough to easily fit anywhere but big enough to hold up to one ton of junk. It is typically used for small renovations, minor landscaping jobs, and clean out projects.

The 20 yard dumpster measures 20 feet by 7 feet and 6 inches by 4 feet. It is usually utilized for mid-sized projects, such as a renovation, a flooring project, or a a multi-room clean out. This particular trash bin can hold up to 20 cubic yards of junk.

The 30 yard dumpster is the biggest option available through BlueStar Roll-Offs Dumpster Rental. It is commonly used for large-scale projects, such as a construction project or a commercial project. It measures 22 feet by 7 feet and 6 inches by 6 feet and it is designed to hold everything, including cabinets, old flooring, appliances, yard waste, and more.

The homeowner or property owner may need not be home when they deliver the dumpster to the specified location as long as they have already digitally signed the contract and have given accurate information on where to deliver it. The dumpsters can fit into most driveways, which are at least 10 feet wide and 20 feet long.

It is important to note, however, that there are certain items that are prohibited from being thrown into the roll-off dumpsters. This is for safety and environmental protection reasons. They also comply with the hazardous waste guidelines provided by local officials and the Southern Sanitation Landfill. As such, they cannot take items like chemicals, paint, batteries, gas, propane, oils, tires, and more.

Customers have been providing highly positive reviews about the kind of service that they received. For instance, J.L.M. gave them a five-star rating and said, "We had a project, that we were trying to get done in a week to save money on equipment rental. Staphen Miller was amazing and helped us achieve that. He dropped 2 dumpsters and rotated them daily. Every morning he would drop an empty dumpster by 7am and every evening he would pick up a full one. We had zero down time because he was so efficient. We enjoyed getting to know him during his pick ups and deliveries. His prices were comparable to the big companies but his customer service was impeccable and that is something a lot of the big companies don't offer. We highly recommend him and will not use anyone else in the future."

Those who are interested in taking advantage of the dumpster rental services provided by BlueStar Roll-Offs Dumpster Rental can check out their website at <https://www.bluestarroll-offslc.com/dumpster-rental-russellville/>, or contact them on the phone or through email.
