Atlanta, Georgia ? Yesterday was a busy day for Ambassador Limousine Service. The company had to work hard to ensure that the wedding transportation plans went perfectly for two different parties. Through perfect planning and a passionate team, the party bus rental Atlanta company was able to handle the transportation plans with zero issues.

?When Jannette booked our party bus limousines Atlanta last week,? said Ambassador Limousine Service CEO, ?her wedding was supposed to take place tomorrow. However, a sudden change in the arrangements made it necessary that her wedding happened yesterday. This meant that we had to handle Jannette?s wedding and also service Kristina?s wedding.?

Ambassador Limousine Service noted that having a large fleet of well-maintained and affordable party bus rentals Atlanta ensured that both its clients got the best wedding transportation. ?Jannette?s wedding didn?t have as many attendees as Kristina's,? said the company?s CEO. ?We allocated three 20-passenger party buses to Janette?s event while we used two 50-passenger party buses for Kristina?s wedding.?
