

CHAPELWOOD

New Jersey Company Announces Free Drain Cleaning And Emergency Sewer Repairs

October 12, 2015

October 12, 2015 - PRESSADVANTAGE -

New Jersey based Chapelwood Sewer and Drain has announced a special promotion for services during the month of October. The company is offering customers free main line sewer drain cleaning for the first 30 minutes of service, and just \$79 for each 30 minutes after. Matthew Miglin, spokesperson for the company, states, "We strive to offer the best in everything, price, service, and customer satisfaction. Our October special is just another way of thanking our customers for continuing to work with us."

Chapelwood offers a number of sewer, storm, septic, and drain system services, such as hydro jetting and inspections via video. The company boasts of more than 15 years of experience in their field. Matthew Miglin explains, "Attention to detail is what has made our company great, and it's what will continue to keep us going for years to come."

The company states that October is a great time to get storm drains and septic systems clean to prepare for the upcoming winter months, which is one reason that they have decided to offer this promotion at this time. Miglin states that many customers have trouble with tree roots that have grown into sewer lines, and that the company provides preventative maintenance which can be less costly than total sewer line replacement.

They use a camera to inspect lines and remove roots before they become a problem.

Chapelwood Sewer and Drain also provides 24 hour emergency services for backups, drain cleaning, and other issues, and states that their special promotion pricing will cover emergency services as well as basic services. The company assists home and business owners throughout Essex, Morris, Sussex, Madison, Chatham, Mountain Lakes, West Orange Township, Livingston, Short Hills, and Upper Montclair, and Newton counties in New Jersey. Miglin states that customers who have plumbing or drain issues should contact Chapelwood for an evaluation and be certain to do so during the month of October to receive the 30 minute free drain cleaning.

More about the company, including a complete list of the services that they offer, can be seen on their official website at <http://www.chapelwoodseweranddrain.com>.
