Toddler Inflatable Rentals Now Available Through San Diego Kids Party Rentals

September 16, 2021

September 16, 2021 - PRESSADVANTAGE -

San Diego Kids Party Rentals, a company based in San Diego, CA, is pleased to announce that they are offering toddler inflatable rentals, such as bounce houses and inflatable jumpers and learning games that have been developed specifically for toddlers and younger children. These inflatables feature popular licensed characters, including Mickey Mouse, Goofy, Minnie Mouse, Donald Duck, Elmo and various well-known characters from Sesame Street, including the Disney Princesses, such as Cinderella, Belle, Snow White, Sleeping Beauty, Jasmine, Ariel, and Tiana. These "open air" toddler inflatables have shorter walls to enable parents to stand over and easily check on their children inside. They also offer educational and interactive games, that are most suitable for kids ages 2 to 6. More information about this can be gleaned from <https://www.sandiegokidspartyrentals.com/category/toddler-inflatables/>.

A representative for San Diego Kids Party Rentals says, "The inflatables are rented for a 5 hour time period. If you'd like the inflatable for longer, it is only 10% more to keep it all day, or 50% more if you would like to extend the fun for an additional second day! Our scheduling software allows for us to create delivery and pick-up routes that are convenient to you. Our staff will give you a call a few days prior to your event to confirm all party details with you, to ensure you have a stress-free party. These inflatables are very suitable

for backyard parties, mitzvahs, schools events, sporting events, church festivals, and more.?

A featured toddler bounce house rental is the Animal Kingdom Jungle-themed Playland, which is suitable for little toddlers at any event or party. The graphics have been ensured to be very cute and with bright colors that depict various jungle animals, such as a lion, zebra, giraffe, monkey, elephant, and many more favorite animals. This bounce house is most suitable for kids who are five years old.

Other toddler inflatable rentals include the: Mickey Mouse Bounce House; Sesame Street Learning Town; Camelot Castle Bounce House; Cars Bounce House; Unicorn Kingdom Playland; Cat in the Hat Bounce House; Elmo's World Inflatable Jump; Frozen Large Jump; Mickey Mouse Extra Small Bounce House; and Winnie the Pooh Bounce House.

Also available from San Diego Kids Party Rentals are various bounce house with slide rentals. These include the: Titanium Bounce House with Slide; Everyday 4-1 Bounce House with Slid; Mickey 4-1 Bounce House Combo; Disney Princess 5-1 Combo; Melting Arctic Dual Lane Combo with Slide; All Star 4-1 Bounce House and Slide; Batman 5-in-1 Combo; Jungle Adventure; Cat in the Hat Bounce House with Slid; Everyday Combo 5-1 Bounce House with Slide; Frozen 5-1 Bounce House with Slide Combo; and more.

A featured bounce house with slide is the UFO Bounce House, which can offer a visual focal point for any event or party, especially for kids and adults who like UFOs. It has a huge bounce area for kids, a ladder for them to climb, and a slide that brings them out of the inflatable.

Also available through San Diego Kids Party Rentals are dry slide rentals. These include the: Double Lane Giant Inflatable Slide; 15' Single Lane Slide; 22' Tropical Dual Lane Slide; and 27' Cliff Hanger Inflatable Slide. The gigantic 27' Cliff Hanger Slide is the largest inflatable slide in San Diego. It is almost three stories tall and is likely to attract both kids and adults. Those who use this slide will climb up the middle ladder to the top of the inflatable slide and then grab on the rings on the left and right side. When they let go of the rings, they will slide down the steep slide and the exit on either side.

Founded in 2007, San Diego Kids Party Rentals has the mission of providing fun for kids and everyone by offering one of the biggest children's party rentals for parties, carnivals, events, and festivals. They have currently expanded their rental inventory to include equipment that would be suitable for adult activities such as team building, special effects, trade show traffic builders, sports challenges, concession machines, and more.
