North Edmonton Kia Offers New 2022 Kia Sportage in Edmonton

September 16, 2021

September 16, 2021 -

North Edmonton Kia, a Kia auto dealership in Edmonton, Alberta, Canada, is happy to announce that the 2022 Kia Sportage 4-door SUV is now available. This SUV has an automatic transmission and can have a front-wheel drive or AWD drivetrain. The AWD model has a fuel economy of 9.1 liters per 100 km for highway driving and 10.8 liters per 100 km for city driving. The FWD model has a fuel economy of 7.6 liters per 100 km for highway driving and 10.1 liters for city driving.

The 2022 Kia Sportage is powered by a 240 horsepower 2.0-liter engine. Available for the 2022 model is the Sportage Nightfall Edition Trim, which includes various features, including the: panoramic sunroof; black roof rails; special black badging; flat-bottom steering wheel with paddle shifters; SynTex seating materials; fog lights with piano black surrounds; piano black front and rear bumper trim, side sills, and skid plates; and black satin window surrounds.

One important feature is the Smart Power Liftgate?, which opens automatically by sensing the driver?s key, providing hands-free access to the cargo area. It also provides flexible storage with its 60/40 split folding rear seats and dual-level cargo floor. Also available is a removable tray under the cargo floor to provide concealed

storage.

The 2022 Kia Sportage offers wireless charging and mobile phone integrations through Apple CarPlay and Android Auto on a touch screen display. It is provided with a Harman Kardon® Premium Sound System that offers a surround sound system delivering a 320-watt acoustic experience, with Clari-Fi? restoration technology.

The 2022 Kia Sportage has an UVO link that offers compatible smartphone remote access to a number of vehicle functions through the Kia Access app. This allows for remote start using a smartphone. Remote climate control allows the user to cool down or warm up the Sportage remotely via smartphone. The doors can also be locked or unlocked remotely. The UVO link can also be used to find one?s vehicle and provide directions to its location. The UVO link can also connect with Assistant or Alexa to allow the use of voice commands for controlling certain features, such as climate control and remote start.

The convenience features of the 2022 Kia Sportage include: air conditioning; 1-touch down; 1-touch up; driver vanity mirror; driver door bin; illuminated entry; front beverage holders; passenger door bin; overhead console; passenger vanity mirror; passenger door bin; rear beverage holders; power windows; speed control; remote keyless entry; tilt steering wheel; telescoping steering wheel; heated door mirrors; and power door mirrors.

Entertainment features include AM/FM radio and steering wheel mounted audio controls. For lighting, instrumentation and visibility the 2022 Kia Sportage include: delay-off headlights; clock in-dash; external temperature display; exterior parking camera at the rear; front reading lights; front fog lights; low fuel level indicator; fully automatic headlights; rear view camera; outside temperature display; rear window wiper; rear window defroster; trip computer; tachometer; and variably intermittent wipers.

Safety and security features of the 2022 Kia Sportage include: 4 wheel disc brakes; brake assist; ABS brakes; electronic stability; dual front side impact airbags; dual front impact airbags; occupant sensing airbag; ignition disable; panic alarm; overhead airbag; security system; perimeter/ approach lights; and traction control.
