Brantford, Ontario-based Straight Arrow Roofing is excited to share a recent customer review they received. The company has established itself as one of the best roofing providers in Brantford, providing high-quality services to residents from local communities and the surrounding areas for over 10 years.

In the review shared by the company, Karen Bowen rates Straight Arrow Roofing 5 out of 5 stars and says, ?Joel communicated the details very professionally while explaining all the work required for my unusual roof, which included a flat roof area around the chimney, a regular roof, an addition with a slight slope and a mansard. During the installation, Joel took pictures and kept me in the loop. The work was completed as contracted, and the site was cleaned well. I would definitely recommend Straight Arrow Roofing for your roofing needs.?

Founder and owner of Straight Arrow Roofing Joel Guerra says, ?We know how important it is to have a good, solid, dependable roof over your head ? when we first started this company, it was with the goal that every customer we took on would be provided with nothing less than our absolute best work. We want our customers to have the safety and comfort of a solid roof, and our passion is reflected in our work. Seeing our hard work and commitment appreciated by our community is amazing for us to see. It motivates us every single day.?

Karen Bowen is far from the only person to leave a positive review for the company. A quick look at their Google profile shows that nearly every Straight Arrow Roofing customer review praises the services provided by the company as well as the work ethic of their team. The company has an excellent 4.7 out of 5 star rating overall.

In another review, Dave McKeraghan writes, ?After reviewing several estimates with all but one within reason, I found the follow-up and professionalism of Straight Arrow to strike a chord with me. They were the only company to call to follow up on my quote and discuss further. Their install crew was quick and very courteous. They cleaned up after everything they did. Joel's updates were a welcome source of reliable information. Joel has since been by twice to inspect everything and will always make things right! Overall, I would highly recommend Straight Arrow Roofing as a reliable contractor that you can be confident will do a fantastic job. Thanks for making this large value purchase a smooth transition.?

The Hamilton roofing company specializes in roof installations, maintenance, and repairs. However, they assert that they are well versed in a wide variety of roofing-related services, including but not limited to the installation, maintenance, and repair of siding; eavestroughs and gutters; attic insulation; flat roofing; skylight installation and repairs, and more.

As a GAF-certified roofing contractor, Straight Arrow Roofing is also able to ensure that property owners get access to high-quality roofing systems and unparalleled service. The company is proud to state that they now also offer 50-year lifetime warranties to cover defects in roofing materials.

Guerra says, ?Since we first opened our doors and began working with our community, I have been committed to the philosophy of providing a service that our customers will be satisfied with. Today, even though the company has grown a lot and we have the capacity to take jobs much larger than I initially envisioned, you will see that same philosophy at work throughout the company, with every single person who works with me. That is why I feel confident saying that you can?t go wrong by working with Straight Arrow Roofing. If you want dependable roofing services in Hamilton, reach out to us, and we will see how we can help you.?
