Purav Bhatt is a former Cook County state?s attorney who has relied on his training and experience as a former prosecutor to defend clients in Chicago and all throughout Illinois. He has been shortlisted as a Super Lawyer for the years 2020 through 2022. He was also selected as a Rising Star by the same organization from 2015 through 2018. He is also a member of the National Association of Criminal Defense Lawyers. He has received a 10.0 ?Superb? peer review rating through Avvo, and he has been named to both The National Trial Lawyers: Top 40 Under 40 and The National Trial Lawyers: Top 100

Purav Bhatt focuses his practice exclusively on criminal defense representation. His biggest strength is his ability to use his previous experience as a former prosecutor to anticipate the types of tactics that he can

expect to go up against when he is representing his current clients who come from throughout the greater metropolitan area. Mr. Bhatt has been able to obtain successful results for his clients who have faced criminal charges issued by the state or federal government. Mr. Bhatt?s track record in obtaining charge dismissals and acquittals as well as his negotiation of favorable plea agreements with the prosecution has led to a great deal of recognition from his fellow attorneys.

Mr. Bhatt was admitted to practice in Illinois in 2008. He is also admitted to practice in Washington as well as before the U.S. District Court for the Northern District of Illinois (regular and trial bars), the U.S. District Court for the Central District of Illinois, and the U.S. District Court for the Eastern District of Wisconsin. Mr. Bhatt holds a Bachelor of Science in psychology from Loyola University Chicago and a master?s degree in computer science from DePaul University. He then went on to attend Chicago-Kent College of Law at the Illinois Institute of Technology and was awarded his Juris Doctor in 2008.

When asked about the secret behind his shining record of providing exceptional legal representation, Chicago criminal attorney Purav Bhatt says, ?I grew up in Chicago and I?m all too familiar with the conditions under which good people can end up in a bad situation. Prosecutors will use shady tactics to get a verdict favorable to them with no regard for the truth or just judicial process. I have been trained as a prosecutor and that places me in the favorable position to call out the methods that they use to pull the veil over the justice system?s eyes. I can see through the tactics that they use to entrap innocent people in a situation that they had nothing to do with. When you come to me, I?ll work directly with you to ensure that you understand all aspects of the legal matter - both financial and personal. I?ll inform you of the best options through the entire process, keeping you updated on every last detail of your case so that you are well informed to make the right decision regarding your well-being. If you or someone you love has been caught in the legal system and needs someone in their corner to help them through the worst, give The Law Office of Purav Bhatt a call. We will fight your case to the very best of our abilities to defend and protect your rights.?
