

Fastfit Automotive: Four Decades of Existence

September 20, 2021

September 20, 2021 - PRESSADVANTAGE -

Leichhardt, NSW (September 2021) - Being in the automotive industry is not easy for Fastfit, for they have been in the business for many years. Fastfit Automotive Specialist is a One-Stop-Shop for Towbars, Bullbars and more. They also offer a wide range of 4x4 accessories. The company has been family-owned since its inception in 1980 with over 40 years of experience, making them one of the best choices for automotive supplies such as tow bar installation or roof rack solutions.

The company is a custom car company that specializes in importing European and exotic vehicles. They also do standard work for anyone who needs their vehicle altered to suit individual needs.

Their emphasis on quality means it can offer competitive rates across all market sectors without sacrificing customer satisfaction. The company can supply products from various brands, including MCC 4X4, ECB, TJM, Hayman Reese, Iron Man, POWERFUL 4X4, RHINO THULE, HELLA, ARANDA, SWIFT and many more.

Located in Sydney's Inner West, this company offers comprehensive service to both local and Australia-wide customers. Off-street parking is available for those who need it, and drive-in appointments are no problem with them.

Fastfit also offers different accessories such as side steps, bike carriers, Snorkels, Winches, driving lights, roof baskets and luggage, roof pods, etc. They also cater to all exhaust needs - whether a chrome tip or full sports system, extractors or catalytic converter. They have the expertise to help with any imported vehicles.

Mufflers are also available in their store. They have both steel and stainless steel exhaust systems to suit their customer's needs. Their showroom has an experienced team of the fitter who can help customers find the right part at a competitive price and guide customers through installation processes for mild or stainless steels, extractors, or sports system.

Their showroom is the perfect place to spend waiting time, offering comfortable seating, ample space for parking and an exciting selection of products that customers won't want to miss.
