

Forkserve: Celebrates Four Decades in the Business

September 17, 2021

September 17, 2021 - PRESSADVANTAGE -

Arndell Park NSW - Forkserve is celebrating four decades of being an established business in the industry of Forklifts. They have cemented their name as a powerhouse in the Forklift business. They started in 1981 as a small business, and now they have a wide range of services to offer to their customers. The company has a large selection of used and new forklifts. When it comes to the latest and greatest in forklift technology, they don't play around, whether a customer is looking for a Toyota or Crown Model-line model from Japan's top three automakers such as Toyota Motor Corporation Ltd., Honda Power Products Incorporated, and Mitsubishi Diesel Industrial Systems.

The company has established itself as one of the leading Forklifts suppliers. They are known for their friendly service and professional approach, and their customers love to work with them. They also provide forklift rental services when needed.

Forkserve has a different forklift range. They supply All Terrain Forklifts, BT Forklifts, Crown Forklifts, Diesel Forklifts, Electric Forklifts, Enforcer Forklifts, High Reach Forklifts, Gas Forklifts, etc. In the 1950s, all-terrain forklifts could only lift to 1 135kg and had a height of 9 meters. By 1958 four-wheel steering systems were implemented, which changed how these machines operated. Now they can move around tight corners with increased accuracy levels.

With their broad range of products, they can offer more than just parts for forklifts. They also sell battery, forklift attachments and tire accessories to keep the forklift running smoothly. They supply and fit all types of forklift attachments in Sydney for any make or model. Some examples include jibs, rotators, safety cages, white goods clamps, double pallet handlers extra-long tynes. They also have a range of new and used forklifts in their inventory which can be seen on their website.

Customers can find their place of business at 12 Kenoma Place, Arndell Park NSW.
