

Rolletna: Two Decades in the Business of Blinds and Curtains

September 17, 2021

September 17, 2021 - PRESSADVANTAGE -

Artarmon, NSW - Celebrating their 20 years in the business of Blinds and Curtains, Rolletna is committed to giving their best designs for their customers. The management closely looks at customers' needs and ensures they are met by recommending the right window furnishing. The company's products, including blinds or shutters for windows, can be tailored to control light levels in rooms while keeping noise outside, regulating temperature on sunny days so customers won't have uncomfortable heat waves indoors and blocking wind energy from ruining fragile items inside like artwork with hurricane impact. In their 20 years, they have found that customers' number one priority in window fashions is to manage light efficiently and beautifully while increasing the value of their home. Blinds have moved on from being just a functional product to being used as an interior design element. Customers are opting for blinds that offer privacy and the flexibility of controlling light and glare in rooms, which is why they consider it an investment rather than just an expense.

The window furnishings industry may be one of the most exciting markets in the next five years, affecting interior design and architecture, lifestyle and home improvement. As people become more conscious of their health and well-being because of the recent pandemic, the company stresses the importance of providing enough light in rooms through natural sunlight while not overwhelming them with artificial lights during the daytime. It also helps that they are proven to be environmentally friendly by preventing heat buildup inside homes, leading to air conditioning unit problems or, worse, electric bills on the roof.

Rolletna offers both Indoor and Outdoor Blinds. With Indoor Blinds, they have Custom Made Curtains, Plantation Shutters, Roman Blinds and Roller Blinds. Under Outdoor blinds, they have External Venetian blinds, outdoor Awnings, Outdoor Shutters, Zipscreen Blinds, Cafe Blinds and Aluminium Louvre Systems. They also offer Motorised Blinds and Curtains.

Customers can find their place of business at Level 1/48 Hotham Parade, Artarmon, NSW.
