

## **Dumpster Rental Provider Reaches Customers Across Midland, TX & Beyond**

*September 23, 2021*

September 23, 2021 - PRESSADVANTAGE -

Midland, Texas based garbage disposal company Let Us Dump It is reaching out to the wider community to share information about their service areas. The locally owned-and-operated company has been working on providing a reliable waste disposal service to the residents of Midland and the surrounding areas for more than 20 years.

While Let Us Dump It is based in Midland, the company is proud to offer its services to other nearby communities. Areas serviced by the company include Odessa, West Odessa, Big Spring, Stanton, Monahans, Kermit, Crane, Mccamey, Andres, Lamesa, Ackerly and more. However, the company shares that if a customer has a project that is outside their regular operating areas, they are willing to consider making accommodations. Let Us Dump It frequently delivers units even farther out, and they are quite willing to make special arrangements that still take their customers' projects (and their budgets) into account.

Ricky Hickey of Let Us Dump It says, "As a company, our goal is to make sure that people have a reliable,

dependable way through which they can get rid of their waste materials, and we are ready to do a lot to help them. We are very glad to serve the local community, but we are equally dedicated to anyone else who needs our services. There may be extra fees depending on how far outside our service area you are, but we will do our best to make sure that we can help you. A full breakdown of the company's service areas can be found here: [Let Us Dump It - Service Area](#).

Let Us Dump It specializes in offering a variety of high-quality roll-off dumpsters that are perfect for any kind of cleanup project. They have multiple sizes available: 11-yard, 15-yard, 21-yard and 25-yard. In addition to providing access to a variety of dumpsters, Let Us Dump It places great importance in providing the best possible customer service and most affordable prices in the region.

Hickey says, "When you have tons of waste to dispose of, lean on us. We've been in the business for a long time, and it is no exaggeration to say that we are experts in waste management. You can count on us to make your life easier, whether you are dealing with cleanup after a construction job, residential junk removal, roofing cleanup and virtually anything else. When you work with us, you will always be able to count on getting your waste disposed of efficiently. Our friendly customer service representatives will provide you with all the support you want and need."

Those who wish to take advantage of Let Us Dump It's services will be glad to learn that renting a dumpster from the company is easier than they might have thought - the entire process can be handled online through their website. Their dumpster rental process is simple, convenient and friendly. They have a comprehensive online calculator that customers may use to estimate their costs before they secure their dumpster rental as well. Notably, the company does give their customers the option to speak with a live agent if they so prefer.

The services provided by Let Us Dump It have earned the company a fair amount of praise from their customers. On the Google platform, they have a perfect rating of 5 out of 5 Stars. Jeremy Thrailkill writes in their brief review, "Ordered a dumpster rental online for my grandmother who lives in Midland. Ricky called and said they were on route and would keep communication the entire time. I highly recommend them."

Let Us Dump It provides more information about their team and all the services they offer on their website. Customers can also use the website to book a dumpster at their convenience. Those who want to get in touch with Let Us Dump It are also welcome to contact Ricky Hickey directly via email or phone. Let Us Dump It can be found on several social media platforms, including Facebook, Twitter, YouTube and more where they share updates and keep in touch with their customers.
