Roll Off On The Go Rentals Offer Online Booking for Affordable Dumpster Rentals

September 24, 2021

Rockville, Maryland - September 24, 2021 -
A top dumpster rental company in Rockville, MD, Roll Off On The Go Rentals, has made ordering dumpster rentals easier for those who know what they need for their project. Homeowners and business owners can go online to the company?s website and reserve the roll off dumpster of their choice. They can quickly schedule delivery with only a few clicks of their computer?s mouse. This online booking feature however will only benefit those who know the size dumpster they will need for their project. Those who are not sure what size dumpster they may require should call the company?s customer support for a consultation.

More information about Roll Off On The Go Rentals can be found on the company?s website here: https://www.rolloffonthegorentals.com/

Company owner, Edgar Saucedo, had this to say, ?We pride ourselves on providing high quality dumpsters and excellent customer service. By making the booking process easier, our customers who know exactly what their needs are can get their roll off dumpsters reserved and delivered quickly. They are able check this part off their list of things to do and quickly move on to their next task.?

Roll Off On The Go Rentals is a fast-growing dumpster rental company that services the Montgomery County, MD area. They provide four sizes of roll off dumpster rentals to the areas of Rockville, MD, Silver Spring, Bethesda, Gaithersburg, Potomac, Kensington, Germantown, and the other Montgomery County, MD cities. The size dumpsters the company provides include 10-yard dumpsters, 15-yard dumpsters, 20-yard dumpsters, and 25-yard dumpsters currently.

The typical break down of how much debris each dumpster will hold is described on the company?s website in this manner:

The company?s 10-yard roll off dumpsters will hold the equivalent of 4 pickup truck loads of debris; the

15-yard dumpsters will hold the equivalent of 6 pickup truck loads of debris; their 20-yard dumpsters will hold the equivalent of 8-pickup truck loads of waste; and their 25-yard dumpsters will hold the equivalent of 10 pickup truck loads of waste.

Typically, any non-hazardous material can be put into a dumpster. Most household waste, bulky furniture, construction debris, yard waste and appliances are perfectly acceptable.

All hazardous materials however are prohibited from going into dumpsters. This includes materials that can be toxic or pose a safety hazard such as wet paint, asbestos, sealed tanks, or flammables. This helps protect hard working men and women as well as the environment. For more information on what is allowed in the dumpsters, those interested should contact the company?s customer support.

Roll Off On The Go Rentals has recently added more dumpsters to their inventory to meet the growing demand for residential and commercial dumpster rentals in their service areas. The announcement of the inventory increase can be read here at this link: https://marketersmedia.com/roll-off-on-the-go-rentals-expands-inventory-to-meet-demand-for-dumpster-rentals/89033906

Those who would like a consultation to discuss their dumpster rental needs or want more information about the materials that are allowed to go into the dumpsters can contact customer service and speak with a representative at (301) 798-6777.
