September 27, 2021 - PRESSADVANTAGE -

Illinois water damage restoration company, Excel Fire And Water Damage Restoration Services is offering water damage restoration services in Northern Chicago.

The company's water damage restoration services include emergency water extraction, drying of structures, cleaning and sealing of contaminated ducting, drying of carpet, upholstery, and drapery, mold removal, and any other additional services that are required to restore the site to its former glory. The company uses top-of-the-line equipment to dry the sites and remove water as quickly as possible. They also utilize modern deodorizing and sanitizing chemicals to eliminate any residual odors or the possibility of mold development in the future. They also document the drying process to ensure that the customer has precise evidence for their insurance claim.

The locally owned and operated company is ready to respond to customers at the drop of a hat because of its preparedness to offer 24/7 emergency services. It offers free estimates to customers who want to gauge the cost of their services before committing to hiring them. The company provides fully detailed estimates that take into consideration every work item saving the customer from being shocked due to unexpected expenses that other competing restoration companies tack on to the final bill. The company has created a customer-friendly service that helps its clients promptly resume their regular life as if their house or commercial building didn't suffer from water damage at all.

The company also offers a range of other services such as water mitigation, water damage cleanup, sewage cleanup, flood damage restoration, contents cleaning, commercial restoration, insurance claims, mold removal & mold remediation, mold testing & mold inspection, smoke & fire damage restoration, odor removal, emergency demolition and hauling, wind damage & storm, and secure board up.

A spokesperson for the company talks about its services by saying, "We are the first and only contractor that you need to keep in mind when it comes to restoration services in Northern Chicago. We provide end-to-end solutions that involve fixing the root cause of the water damage, cleaning up the site, and reconstructing the damaged structural components. You don't have to run from pillar to post to find different contractors to handle different parts of the job. Our extensive experience in the field has given us the knowledge to completely revamp a damaged space and restore it as cleanly and seamlessly as possible. You would be hard-pressed to find flaws in our work and your guests will have absolutely no hint that the site went through extensive water damage before we worked our magic on it. We are also exceedingly efficient at our job and manage to provide our high-quality services with the utmost professional demeanor. So if you are in our service area and your house or place of business has seen water damage, call us today and forget about your restoration worries."

A recent review of the company's services on its Google My Business page says, "I had a flood in my townhouse and called Excel. They immediately came out to assess the damage. Brandon S contacted my insurance and worked diligently to create a plan and settlement. Brandon Y and his team worked on the restorations which included painting, flooring, carpeting, and a whole remodel of the kitchen and bathroom. The work was completed beautifully and the whole team was very professional and courteous. Throughout this process whenever I had questions or concerns Brandon S would immediately return my calls and offer solutions. I can not say enough about this company. They are amazing and I give them my highest recommendation."

The company serves many areas in Illinois including Algonquin, Arlington Heights, Buffalo Grove, Carpentersville, Crystal Lake, Huntley, Lake in the Hills, McHenry, Palatine, Rolling Meadows, Woodstock, Barrington, Crystal Vista, Lake in the Hills, Lake Zurich, North Shore, and Round Lake.
