Charlotte, North Carolina ? When Tabitha Wood realized that her Dad's 90th birthday was coming up, she decided to do something special for him. She decided to contact A Step Above Limousine Service to book a classy ride for the birthday celebration. Tabitha noted that the company made communication very easy and she ended up hiring one of their 10-passenger limousines.

After using the company for the celebration, Tabitha Wood had the following to say, ?I was very pleased with our experience with A Step Above Limousine Service we used for our Dad's 90th Birthday celebration. Communicated very quickly and thoroughly, priced very fairly and a good value. Our driver, Melanie, was early to arrive, very professional and personable, and very accommodating. The limo was beautiful and very clean. It was a bit warm in the limo during our ride but we did have 10 people in the limo which was the maximum so I'm sure that didn't help the temperature. Overall, I would definitely use A Step Above Limousines again and would not hesitate to recommend them to others seeking classy, prompt, professional, and personal service.?

Speaking after learning about the customer's comment, A Step Above Limousine Service CEO had the following to say, ?When customers are looking for a good party bus limousines Charlotte company, the first thing they check is the ease of communication.
