

Stars and Stripes Dumpster Rentals Offers Dumpster Rental in Washington DC

September 28, 2021

September 28, 2021 - PRESSADVANTAGE -

Stars and Stripes Dumpster Rentals, a company based in Capitol Heights, MD, is happy to announce that they are offering dumpster rentals in Washington DC and neighboring areas. They want to emphasize that those who rent a dumpster in Washington DC can take advantage of one the most effective and reliable ways of getting rid of a huge amount of waste and junk from a project by having it hauled to the nearest landfill without a lot of hassle. This is because the company will be the one to deliver the roll off dumpster to the client's location and then transport it to the landfill once it has been filled.

Brian Hill, owner of Stars and Stripes Dumpster Rentals, says, "Start your home project or clean-up job with a dumpster rental. Renting a dumpster in Washington DC is easily the best way to dispose of trash or junk for homeowners. The key is finding a local Washington D.C. dumpster rental company that offers roll-off containers at an affordable price. Stars and Stripes Dumpster Rentals is just what you need. We provide reasonably priced rentals with no hidden fees."

They offer three sizes of roll off dumpsters. The 10 yard dumpster measures 6 feet by 12 feet by 4 feet and can hold up to 4 times that of a pickup truck load. It is suitable for small-scale projects, such as: small home renovation projects; room decluttering and cleanout projects; outdoor yard cleaning projects; and small home remodeling projects.

The 15 yard dumpster measures 7 feet by 12 feet by 5 feet and it can hold up to 6 times pickup truck loads. It is suitable for relatively small projects, such as: home renovation projects like installation of kitchen cabinets, remodeling a laundry room, and removal of flooring, walls, and carpet; cleaning out of a large room, such as a basement, garage, bedroom, or attic; and removal of yard waste or repair of a sidewalk. These dumpsters can be used for a variety of remodeling materials, such as carpet, wood, plaster and drywall, flooring, and cabinetry and countertops.

The 20 yard dumpster measures 7 feet by 16 feet by 5 feet and it can hold up to 8 times pickup truck loads. It is suitable for remodeling and construction projects, such as small kitchen remodeling; roof tear-off; master bedroom renovation and removal of carpets, floors, and walls; clean outs, such as downsizing before a move, cleaning out a garage, and decluttering a basement or attic; and heavy debris projects, such as large yard cleanups, tree removal, repair of sidewalk or driveway, removal of a concrete or brick path.

The service area for Stars and Stripes Dumpster Rentals is Washington DC and nearby areas. These include: Chillum, Clinton, Silver Spring, College Park, Oxon Hill, Upper Marlboro, Bowie, Lanham, Hyattsville, and all areas in between. And even if the project site is located beyond the indicated area, they may still be able to deliver dumpsters farther out for some extra fee.

The dumpster rental process is simple and easy. First, a customer chooses a particular size that is appropriate for the project. Those who are unsure as to the proper dumpster size they need can contact them for assistance. Second, the customer prepares for the dumpster delivery by eliminating any obstructions to the delivery of the dumpster to the desired drop-off area. Third, the customer can begin using the dumpster. Fourth, the customer notifies Stars and Stripes Dumpster Rentals when the dumpster is ready for pick up.

Founded by Brian Hill, a former 82nd CAB Army Officer, the company's mission is to treat every customer as family and offering excellent customer service at a reasonable price. They provide true online booking and not simply filling out an online contact form. The online booking process they provide is efficient, simple, and totally transparent. Customer satisfaction is guaranteed.
