S&P Dumpsters is happy to announce that they are providing cost competitive dumpster rental in Temple TX and surrounding areas. They offer an easy to use and simple online system that allows customers to rent a dumpster anytime and anywhere they are. These roll off dumpsters can be utilized for any residential or commercial project. These trash bins can be used as the best solution for containing the various junk and debris that result from a particular job, such as a home or building renovation, remodeling, and various kinds of clean ups. Available sizes are: 15 yard dumpsters and 20 yard dumpsters.

“Renting a dumpster in Temple not only makes the waste removal phase of your project faster and all the more convenient, you also won't have heaps of waste on your property to deal with, once your project is complete,” says Patrick Rayson, manager at S&P Dumpsters. “Ensure that you get a roll off container only from a reliable Temple dumpster rental company that offers versatile dumpster options at affordable prices. S&P Dumpster Rentals offers dependable dumpster rental service in Temple, TX.”

The 15 yard dumpster measures 8 feet by 14 feet by 4.5 feet and can hold an equivalent of 6 times that of a pickup truck load. It is frequently used for relatively small projects, including: repair of a driveway or sidewalk; clean out of a large room, such as a basement, garage, bedroom, or attic; removal of waste and junk from a yard clean up project; and various types of home renovation projects, including the installation of kitchen cabinets, removal of walls, carpet, and flooring, and remodeling of a laundry room.

The 20 yard dumpster measures 7.5 feet by 14 feet by 6 feet and can accommodate about 8 times that of a pickup truck load. This is commonly used for home remodeling and construction projects, including a renovation of the master bedroom, kitchen remodeling, a roof tear-off, basement clean outs, attic clean outs, yard cleanups, garage clean outs, and various other similar projects. It may also be utilized for heavy debris projects, such as removing a concrete or brick path, big yard clean ups, tree removal projects, or the repair of a driveway or sidewalk.

S&P Dumpsters has several service areas. These include: Temple, Belton, Harker Heights, Salado, Nolanville, Copperas Cove, Killeen, Troy, Morgans Point, Moffat, Gatesville, Little River Academy, Holland, Rogers, Cameron, Buckholts, Bruceville-Eddy, Lorena, Chilton, Rosebud, Hewitt, Robinson, Crawford, Moody, McGregor, Waco, Bellmead, Lacy Lakeview, Lott, Westphalia, Zabcikville, Bartlett, Seaton, Burlington, Travis, Oenaville, Belfalls, Golinda, and all areas in between. And even if the project location is beyond the radius specified by the said service areas, they may also deliver roll off dumpsters farther out although for an extra fee, depending on how far outside the service area.

They offer dumpster rental services to all homeowners, businesses, local contractors, and construction companies who have to get rid of the trash, debris and unwanted junk that result from a particular job, such as remodeling, construction, renovation, clean out, or demolition. Their roll off dumpsters provide the appropriate waste containment tool and makes it easy to transport those unwanted junk, trash, and debris to the landfill with the dumpster company doing basically all of the work. Customers will simply load their junk into the dumpsters that the company has delivered to their specified location. And once the trash bins are filled, customers can call them and they will pick up the dumpster and haul the container filled with trash and junk to the nearest landfill. Those who are not sure about the appropriate size of dumpster to rent for their specific project can request for help from S&P Dumpsters staff.

S&P Dumpsters was established with the mission of offering homeowners and businesses the best and most affordable dumpster rental available in Temple TX. Their quick, convenient and reliable service will help customers in getting rid of their trash properly.
