Osteens Load and Go, a company based in Leesburg, FL, is pleased to announce that they are offering dumpster rental in Orlando FL and neighboring areas. They want to point out that renting a dumpster is the most dependable way to dispose of unwanted junk and trash after completing a certain project, such as a home renovation or commercial project. Renting a roll off dumpster from a trustworthy dumpster rental company will ensure that the project will proceed without a hitch. They offer different sizes of dumpsters, including a 16 yard dumpster, 20 yard dumpster, and 30 yard dumpster.

Sean Osteen from Osteens Load and Go says, ?To help you get rid of all the junk and debris, we're pleased to offer our fast dumpster rental service in Orlando. We make it easy for you by providing professional dumpster bin rentals that are cleaned before pickup. You can rent any size roll off container with us, giving you plenty of room to throw out anything from old furniture to construction materials. Our online booking feature is fast and easy-to-use too.?

The 16 yard dumpster measures 16 feet by 8.5 feet by 4 feet and can contain an equivalent of six times that of a pickup truck load. It can be used for relatively small projects, including: the cleaning out of a large room, such as a garage, bedroom, basement, or attic; removal of waste and junk from the yard waste; repair of a sidewalk or driveway; and various kinds of home renovation projects, including the removal of walls, carpet, and flooring, installation of kitchen cabinets, and remodeling of a laundry room. It can also be used for the disposal of waste and junk from outdoor projects, including a yard cleanup, breaking up a paver patio, and the removal of old shingles.

The 20 yard dumpster measures 8 feet by 22 feet by 4 feet and can hold approximately 8 times that of a pickup truck load. This is often utilized for home remodeling and construction projects, including the renovation of the master bedroom, basement or attic clean outs, yard cleanups, kitchen remodeling, garage clean outs, and other related projects.

The 30 yard dumpster measures 8 feet by 22 feet by 6 feet and can contain about 12 times that of a pickup truck load. It is appropriate for various remodeling projects, such as a large kitchen renovation, construction of a home addition, basement remodeling, and demolition projects. It may also be utilized for large clean outs, such as decluttering an entire house, clearing out a garage, or decluttering a home before a move. It may also be applicable for various outdoor projects, such as getting rid of shrubs and brushes, clean up of a large-scale lawn, and tree removal projects.
