Atlanta, Georgia ? After committing herself to handle travel plans for a friend?s wedding, Statia Thomas decided to use the shuttle service offered by Ambassador Limousine Service. After the wedding, she indicated that her chauffeur, Glenn Williams, made the entire travel plans ? and execution ? extremely easy for everyone.

After the wedding, Statia Thomas had the following to say, ?FIVE STARS FOR GLENN WILLIAMS. I was a wedding guest this past weekend and told the bride I would assist with travel logistics getting guests from the hotel to the venue. When the shuttle arrived, I introduced myself to the driver and went over the shuttle departure times with him. That driver was Glenn Williams. I had the best experience working with him. He is pleasant, professional, understanding, and was always in the right spot at the right time. If you book with Ambassador Limousine Service, ask for Glenn! He went above and beyond taking multiple trips to bring guests back to the hotel after the wedding. He also communicated with me throughout the night. I felt at ease working with Glenn.?

?When working with us,? said Ambassador Limousine Service CEO, ?our customers can rest assured that all their travel plans will succeed. Our drivers always do more than what is expected to ensure that the customers are satisfied. Glenn Williams is one of our most decorated chauffeurs, but we also have other professionals who have the same skills and who put in the same amount of effort as Glenn.?
