Insurance Covered Breast Pump Adds Spectra S2 Plus

September 28, 2021

September 28, 2021 -
Insurance Covered Breast Pumps is a company that avails breast pumps through insurance to cut down on the amount of money mothers have to spend on a breast pump and accessories. The company has been providing these services for a while now and has helped many mothers access high quality breast pumps. Recently, the have announced the addition of the Spectra S2 Plus electric breast pump.

According to the site, ?The Spectra S2 Plus soft pink electric breast pump is designed to bring confidence and comfort to every moment of the breastfeeding journey. The S2 is quiet and discreet for soothing pumping, and yet weighs only 3 lbs. Massage Mode: Simulates the natural suckling of a baby. Ultra-Quiet Motor: Operates at 45 decibels (like the hush of a library). Back flow Protector: Protects your breast milk from harmful bacteria. Adjustable Suction Levels: Provides a more natural flow of milk. Night Light: Allows you to easily pump at any hour. Auto-Timer with Display: Offers visibility and precision with every session.?

This is aimed at ensuring that the company offers a wide range of insurance covered breast pumps and gives mothers options when it comes to features and functions of the pump. The site has also mentioned that they offer 2 years warranty on the actual pump and 90 days warranty for the accessories that come with the breast pump.

For more information on insurance covered breast pumps, accessories and any other useful information related to these products, visit the insurance covered breast pumps website.
