Insurance Covered Breast Pumps Introduces A New Spectra Breast Pump

September 28, 2021

September 28, 2021 -
Insurance Covered Breast Pumps is a company that helps mother access affordable or free breast pumps with the help of insurance cover. This initiative helps mothers eliminate the financial burden that comes with buying a new breast pump. Recently, the company has announce the introduction of a new Spectra breast pump, the Spectra synergy gold electric breast pump.

According to the company, ?The new Synergy Gold electric breast pump offers the most advanced and up-to-date technology in the industry. The SG is the first pump of its kind that allows moms to adjust each side independently! Like all Spectra pumps, the SG is a true closed system, creating a hygienic barrier between outside contaminates and mother?s milk. This advanced technology promotes more productive pumping sessions that can save time with comfort and ease. The LED lamp shines a mild indirect light for breastfeeding in dark rooms and as a sleep lamp.?

About the features, the company stated, "Dual controls allow for independent settings on each breast. Powerful strength for optimal performance. Ultra quiet for discreet pumping sessions. Backflow protection to prevent against contamination and up to 270 mmHg on each side. Soothing 3 level illumination night light.

Touch screen LCD with timer control and mute mode. (2) Years Warranty on pump | 90 days on accessories.?

The company also offers other breast pumps from different manufactures to give mothers more options.
