Panama City, Fla ? Heroman Services Plant Company, an award-winning interior landscaping design company located in Panama City, FL, is now offering a new full-service exterior landscaping division. After receiving feedback from numerous clients wanting to do business with a firm that could create, install, and maintain unique exterior designs, Heroman was excited for the opportunity to expand and offer this new service to their communities.

From making suggestions for small additions to the exterior area you have in mind all the way to creating complete landscaping design plans, the experienced in-house design team can take your exterior landscaping dreams and turn them into a reality. According to Heroman, "as always, at the forefront of our company is its passion, professionalism, and dedication to service within the horticultural and landscape industry. A critical component contributing to our successful results is our planning and ability to interpret, translate, and create first-class landscape architectural presentations for our clients. This service along with others such as complimentary initial landscape consultations and project

management, guarantees our clear communication with you.?

In addition to irrigation, drainage, and soil amendment and excavation, Heroman also offers the following exterior landscaping services: installation, including specimen trees, trellises, green walls, green roofs, etc.; landscape renovations and additions, including shrub and tree replacement, trimming, plant and flower bed maintenance, etc.; living walls, roofs, and containers with customization available for any plant and style.

As a sixth-generation, family-owned business, Heroman Services Plant Company is dedicated to providing exceptional, eye-catching internal and external landscape design services for a wide array of clientele. The company is located in Panama City and serves the Destin, Miramar Beach, and Panama City regions.
