September 28, 2021 - PRESSADVANTAGE -

Pensacola, Fla ? In an effort to fulfill client requests for a company that could also create and maintain top-notch exterior landscaping designs, Heroman Services Plant Company, an award-winning interior landscaping design company located in Pensacola, FL, expanded its horticultural services to include a new full-service exterior landscaping division.

Utilizing this service will allow clients the opportunity to turn their exterior landscaping dreams into a reality. Depending on the needs of the client, the experienced team at Heroman, including a registered landscape architect, can begin small by proposing small additions to an exterior space and then expand their efforts to include a complete landscaping design plan. According to Heroman, "A?critical component?contributing to?our?successful?results?is?our?planning and?ability to interpret, translate, and create?first-class landscape architectural?presentations for?our clients. This service along with?others, such as?complimentary initial landscape consultations and project management, guarantees our clear?communication?with you.?"

The team at Heroman is known for quality work and creative applications of landscape constructions. As such, some of the services offered under the new exterior landscaping division include irrigation, drainage, soil amendment and excavation using a custom blend of landscaping soil, installation, landscape renovations and additions, as well as living walls, roofs, and containers that can be customized using any plants that can grow in the area in any style preferred by the client.

As a sixth-generation, family-owned business, Heroman Services Plant Company is devoted to providing stunning plant installations, from regular potted plants to extravagant garden displays to living green walls? all of which can be placed on the exterior or interior of a building or home.
