North Edmonton Kia Offers Kia Sportage for Sale as Kia Receives Highest Number of Quality Awards

October 05, 2021

October 05, 2021 -

North Edmonton Kia, an auto dealer in Edmonton, Alberta, Canada, is proud to announce that Kia has earned more number one ranked models than any other car manufacturer, according to the J.D. Power 2021 US Initial Quality Study for the fourth consecutive year. Kia Sportage, which is now available for sale at the Edmonton car dealership, is one of the five Kia vehicles awarded by J.D. Power, along with Forte, Sedona, Soul, and Telluride.

With the recent 2021 awards, Sedona and Forte have won the same award for three consecutive years, while Soul won it for the second time. Telluride won the award for the first time while Sportage has regained the award that it previously won in 2019. The annual study by J.D. Power examined responses from 110,827 respondents to 177 vehicle criteria across 23 vehicle categories. The vehicles were assessed based on driving experience, performance of the engine and transmission, and a wide range of quality issues that have been reported by car owners.

The latest Kia Sportage model, which is now available from North Edmonton Kia has a 240 hp 2.0-liter engine. The features for the Sportage Nightfall Edition Trim include: black roof rails; special black badging;

SynTex seating materials; fog lights with piano black surrounds; panoramic sunroof; flat-bottom steering wheel with paddle shifters; black satin window surrounds; and piano black front and rear bumper trim, side sills, and skid plates. It is also provided with the Smart Power Liftgate?, which will open automatically when it detects the driver?s key, thus allowing hands-free access to the cargo area. It also has flexible storage with its 60/40 split folding rear seats and dual-level cargo floor. There is also a removable tray beneath the cargo floor to serve as hidden storage.

The 2022 Kia Sportage is also provided with an UVO link that enables compatible smartphone remote access to various vehicle functions through the Kia Access app. With this feature, it is possible to remotely start the Sportage using a smartphone. Remote climate control is also available to cool down or warm up the Sportage remotely through a smartphone. The doors can also be locked or unlocked by using a smartphone. The UVO link can also help in locating the vehicle and offer directions to its present location. The UVO link can also be connected to Assistant or Alexa to enable voice commands for controlling certain features, such as remote start and climate control.

Entertainment features of the 2022 Kia Sportage include steering wheel mounted audio controls and AM/FM radio. With regards to lighting, instrumentation and visibility, the 2022 Kia Sportage offers: clock in-dash; external temperature display; delay-off headlights; front reading lights; front fog lights; exterior parking camera at the rear; fully automatic headlights; rear view camera; low fuel level indicator; rear window wiper; rear window defroster; outside temperature display; tachometer; variably intermittent wipers; and trip computer.

Convenience features for the 2022 Kia Sportage include: 1-touch down; 1-touch up; air conditioning; driver door bin; illuminated entry; driver vanity mirror; passenger door bin; overhead console; front beverage holders; passenger door bin; rear beverage holders; passenger vanity mirror; speed control; remote keyless entry; power windows; telescoping steering wheel; heated door mirrors; tilt steering wheel; and power door mirrors.
