Quincy, MA - Numismatics expert Beantown Coins is making its name in Boston.

Established in 2011, Beantown Coins buy, sell, and trade collectible coins, both wholesale and retail, focusing on premium quality samples and scarce dates and types.

The company displays its extensive collection of high-quality rare and collectible coins, making them a team to beat when it comes to numismatics. At present, Beantown Coins have 48 Numismatic Coins in Boston, with prices ranging from \$90 to \$3,950. Their collection includes seven types of US coins, 18 types of world coins, and Exonomia.

Beantown Coins also happily educate customers about ancient coins. They talk about rare coins, numismatic hobbies, and passing this to the next generation.

Whether they are experienced numismatists or novice family members who are settling the estate of a loved one, our clients can count on integrity and fairness as our guiding qualities, and we will continue to represent the high standards of generations of rare coin dealers, becoming a major presence in rare coins worldwide, states Beantown Coins.

The Numismatic Coins expert also belongs to a network of respected organizations. Beantown Coins is an affiliate of the following: American Numismatic Association, Numismatic Guaranty Corporation, Central States Numismatic Society, Professional Coin Grading Service, and Florida United Numismatists, Inc.

Apart from these affiliations, this Boston coin business belongs to a big network. Every year, the Beantown Coins crew attends dozens of significant events and exhibits around the US, giving numerous sales channels. According to the firm, "this network helps to maximize product returns by recognizing the demands of particular dealers and the regions where certain items are widely desired."

Beantown Coins President Joseph Palmieri is also a skilled numismatist who has been schooled by masters. While Joe attributes his success to his financial acumen, he acknowledges that his expertise in branding, company management, and advertising has helped him reach the top of his game.

Meanwhile, besides selling old coins, Beantown Coins also buys unique and rare coins.

"With over 50 years of experience in the numismatic industry, our knowledge, reputation, and extensive network has allowed us to offer the highest rates possible to public sellers while using our established and vast network of collectors to identify the perfect buyer," the company adds.
