

Auto Glass Repair Company in Detroit Also Offers Mobile Auto Glass Repair in Warren, Michigan

October 13, 2021

October 13, 2021 - PRESSADVANTAGE -

E&C Windshield Repair Detroit is happy to announce that they don't just offer their mobile auto glass repair and windshield repair services in Detroit but also in Warren, MI, and neighboring areas. Warren is located in Macomb County and has a population of almost 140,000 people, making it the biggest suburb of Metropolitan Detroit and the third biggest city in Michigan. With the announcement, residents of Warren will no longer have to worry about driving with a broken windshield, which can be hazardous because it can break at any time. This is because their technicians will go to the home or office where the vehicle is located and make the necessary repairs there.

Marc Lazar, a representative for E&C Windshield Repair, says, "We work on all makes and models of cars and trucks. We strive to provide the best possible service at the most affordable prices. Our technicians are highly trained and have over a decade of experience in the auto glass industry. We service all car brands makes and models from Ford, Toyota, Honda, Chevrolet, GMC, Audi, BMW, Mercedes, Range Rover, and much much more. Call today to get a fast free 5 minute estimate over the phone. We come directly to you at your home, workplace, or area of your choosing to perform the repair or replacement."

There are a number of factors that make E&C Windshield Repair Detroit stand out among other auto repair service providers in the area. These include: their five star reviewed mobile auto glass service; repair services for windshield chips and cracks; repair of rear car windows; ability to repair car windows and side windows; capability to provide auto glass replacement; and provision of mobile service, which means they go to the location of the customer's vehicle. Those who want to get directions to their office can check out their Google Maps page.

They are capable of providing windshield replacement and chip repair for all car brands and models from Honda, Ford, Toyota, Audi, Chevrolet, GMC, Range Rover, BMW, Mercedes, and more. Those who are in need of a windshield repair or replacement can contact them on their website or call them on the phone to receive a fast five minute estimate for free. If the customer agrees to the proposed estimate, they will then go to the location of the car and provide the service. In addition, they are also willing to accept walk-ins and

same day appointments. They can also provide: low cost and budget friendly windshield repair or replacement; side mirror repair; auto window regulator repair; and installation of heated windshields.

Customers who have experienced the quality of their service have provided mostly five star reviews. For instance, Debra D. gave them a five star rating and said, "Great window repair shop. Fast, efficient and polite. They know exactly what they are doing and how to treat their customers. Excellent place to go to." In another review, Sonja J. also gave them five stars and said, "We had a fantastic experience. We called Marc last week to get the windshield on our van replaced. He came to our house and replaced it with a brand new OEM one. There was no hassle, and the workmanship was top-notch. We're ready to go on our road-trip now."

Having been in the business of auto glass repair for more than a decade, E&C Windshield Repair Detroit is more than capable of providing professional and expert windshield repair service in Detroit and surrounding areas. They have highly qualified service technicians who are provided with complete tools and equipment to handle all kinds of cars and trucks. Their mobile technicians will perform the job at any location specified by the customer at no additional charge.

Those who are interested in the windshield repair services in Warren and surrounding areas offered by E&C Windshield Repair Warren can check out their website, or contact them on the phone or through email. They are open from 8:00 am to 5:00 pm, from Monday to Sunday.
