

Akron Dumpster Rental Company King Dumpsters Launches New Website

October 14, 2021

October 14, 2021 - PRESSADVANTAGE -

King Dumpsters, a local dumpster rental company serving areas near Akron, Ohio, has launched a new website.

The company's new website hosts all the details of its dumpster rental services. The information can be easily browsed by potential customers who are picking out the right dumpster size for their personal or commercial project. The website also has a list of the company's service areas and other useful information such as its phone number and email address.

The company says that it is proud of the ease of use of its new website that lets customers make reservations online from the comfort of their homes or wherever they may be. All the relevant details of each dumpster such as its size, base price, included weight, charges for additional days of rental, and charges for any additional tonnage of weight are all listed so that the customer knows exactly what they are ordering and how much it is going to cost them.

Once the customer chooses the dumpster they want, a short survey asks them whether they want the dumpster in the capacity of a contractor or a homeowner. The website then takes them to an easy-to-use calendar widget that lets them choose the date when they want the dumpster delivered. The website then summarizes the details of the purchase along with the cost of the dumpster.

Once the customer books the dumpster, they are contacted by the company's representatives who verify the details of the purchase. At this point, the customer just has to relax and focus on their project and expect the dumpster they booked to show up at their location on the day and at the time it was promised.

The company says that it only uses the latest industry-standard encryption technologies when transferring and receiving consumer data exchanged with its site. It has appropriate security measures in place in its physical facilities to protect against the loss, misuse, or alteration of information that it has collected from the customer on the site. The company also says that it will make sure to keep any information that the customer electively provides to them confidential.

The company's 10-yard dumpster is 12.5 feet long, 8 feet wide, and 3 feet high. Its base price of \$310 includes 1 ton of trash or household waste and 3 tons of construction and demolition waste. The company's 15-yard dumpster is 16 feet long, 8 feet wide, and 3.5 feet high. Its base price of \$365 includes 2 tons of trash or household waste and 4 tons of construction and demolition waste. The company's 20-yard dumpster is 16 feet long, 8 feet wide, and 4.5 feet high. Its base price of \$415 includes 3 tons of trash or household waste and 5 tons of construction and demolition waste.

The base price of each dumpster includes a rental time of 7 days. The company charges \$10 per additional day of rental and \$75 per additional tonnage of weight for all of its dumpsters. There is a 5-ton weight limit on the 20-yard dumpster.

King Dumpsters serves the areas of Akron, Canton, Cuyahoga Falls, Mentor, Euclid, Strongsville, Brunswick, Stow, Massillon, Kent, Medina, Wooster, Barberton, Tallmadge, Green, Solon, South Euclid, Willoughby, Hudson, Alliance, Macedonia, Brooklyn, Portage Lakes, North Canton, and Mogadore. It can also deliver to locations beyond the aforementioned areas for a nominal fee.

King Dumpsters' dumpster rentals can be used for a wide variety of purposes such as garbage removal, mattress disposal, foreclosure cleanouts, construction waste removal, yard waste removal, television disposal and recycling, furniture removal, trash removal, and many more.

A review of the company's services highlighted on its website says, "Great customer service, they are professional and reliable. The friendly staff is always helpful when I'm ordering a dumpster." Another review

says, "These guys are great! Price cannot be beaten, I called and had a dumpster in place in an hour and a half! Very professional! Thanks for such a positive experience!"
