*October 18, 2021*

October 18, 2021 - PRESSADVANTAGE -

North Alabama Dumpsters is offering high-quality professional dumpster rental services in Boaz, Alabama.

The company's dumpsters can be rented out for home cleanout projects, renovations, remodels, roofing projects, fencing jobs, landscaping projects, demolitions, and more. The company's dumpster rentals can be used for tasks such as refrigerator disposal, mattress disposal, foreclosure cleanouts, construction waste removal, yard waste removal, appliance removal, television disposal, furniture removal, hot tub disposal, and many more.

The company's dumpsters have low and sturdy walls to make sure that the customer has no trouble filling them up and once filled the material doesn't exceed the bounds of the dumpster. The dumpsters are inspected and cleaned after every rental to verify that there is no damage to their integrity ensuring each customer gets a solid, pristine dumpster to use for the project they are working on.

The company says that it sticks to a strict schedule and delivers every dumpster at the place and time that it was promised with no exceptions. When the dumpster reaches the site, it is parked in a location on the customer's property or close to it so that they have unfettered access to it at all times. The dumpsters can be parked anywhere from construction sites to driveways without damaging the customer's property.

The company's 20-yard roll-off dumpster is its most popular rental and is recommended for projects such as estate cleanouts, large commercial landscaping projects, and roofing jobs. The rental costs \$395. It is designed to hold up to 4 tons of material. The dumpster is 22 feet long, 7.5 feet wide, and 4 feet high.

The company's 30-yard roll-off dumpster is its largest rental and is recommended for projects such as construction sites and large commercial jobs. The rental costs \$495. It is designed to hold up to 6 tons of material. The dumpster is 22 feet long, 7.5 feet wide, and 6 feet high.

Both the 20-yard dumpster and the 30-yard dumpster can be rented out for their base price by residential customers for 10 days while commercial contractors can rent them out at the same base price for 30 days. The company handles the delivery and pickup of both dumpsters, leaving the customer free to focus on the other aspects of the project that need their direct involvement.

A spokesperson for the company talks about its services by saying, "We know that when you come to us, you are looking for much more than just a dumpster. You are looking for exceptional customer service that solves your waste disposal problem. We employ only the most reliable drivers that will be punctual and completely professional in their demeanor. When you talk to our office staff you will be met with courteous and patient employees who will listen to all of your concerns and answer them so that you are completely satisfied with your purchase. We also make sure to dispose of any junk and waste that we collect from the sites in the proper landfills in accordance with all environmental regulations. When you choose to dispose of your junk with us, you can rest assured that it is not going to harm the environment in any way. Give us a call today to book the perfect dumpster for your next construction or home improvement project and find out why our customers agree that we provide the best dumpster rental Boaz AL has to offer."
