October 18, 2021 - PRESSADVANTAGE -

Overflow Dumpsters is offering easy and seamless Lexington dumpster rentals for competitive prices.

Homeowners planning a garage cleanout, remodeling, or demolition or contractors working on client sites need to have a plan in place to dispose of the garbage that gets collected. Garbage disposal is in demand as there is no suitable alternative to disposing of the copious amounts of trash that home improvement and construction projects usually generate. If not disposed of properly, the local authorities can levy heavy fines on the party responsible. In such cases, it is wise to rely on the services of a professional dumpster rental service that can make the ideal sized dumpster available depending on the project undertaken.

Overflow Dumpsters provides a selection of hook-lift dumpsters that are perfect for projects of all types and sizes. They serve the waste removal needs of all kinds of customers including homeowners, business owners, and contractors. The company is staffed with punctual and professional staff that delivers the dumpster exactly where it was promised at the time it was promised. The company's representatives are

also always ready to answer any questions that a customer might have about the dumpster rental process.

The company provides an online booking option that makes it simple, fast, and easy to book a dumpster. The customer can select the dumpster rental size they need, choosing between the company's 10 and 20-yard hook-lift dumpster options, and add it to the cart. The customer can then choose the delivery and pickup date from a calendar widget on the website. When the important details related to the dumpster are entered, the customer is required to enter their contact, delivery, and payment information into the company's secure online system. The company will then process the payment and its team will send the customer a confirmation receipt via email. Within a couple of days of the scheduled delivery, the company's representatives will get in touch with the customer to reserve a convenient delivery window.

The company's 10-yard dumpster can hold 4 pickup trucks worth of material. It can be booked for up to 7 days for a base price of \$325. The dumpster's base price includes 2 tons of material and is suitable for landscape cleanup, garage cleanout, debris removal, and similar projects.

The company's 20-yard dumpster can hold 8 pickup trucks worth of material. It can be booked for up to 7 days for a base price of \$395. The dumpster's base price includes 3 tons of material.

The company allows an extension on the dumpster rental time by charging \$10 per additional day of rental for both dumpsters. The company also allows for additional weight for a rate of \$55 per additional ton of material for both dumpsters.

The company serves many areas in North Carolina including Winston Salem, Clemmons, Kernersville, Lewisville, Lexington, Thomasville, Walkertown, Pfafftown, Tobbacoville, Rural Hall, King, Greensboro, Highpoint, Advance, Midway, Welcome, Arcadia, and Jamestown. The company also delivers to project sites beyond the aforementioned radius for a nominal charge.

The company's dumpsters can be used for hauling all kinds of trash. It recommends its rentals for disposal jobs such as refrigerator disposal, garbage removal, mattress disposal, foreclosure cleanouts, construction waste removal, yard waste removal, trash removal, appliance removal, television disposal & recycling, furniture removal, e-waste disposal, hot tub disposal, and many more. The company only forbids materials that are considered to be hazardous, toxic, flammable, or corrosive such as gas, oil, paint, chemicals, asbestos, etc.

A review of the company's services highlighted on its website says, "Used the medium-sized dumpsters for a hall bath remodel. Worked great and Brian is great to do business with. I'll recommend Overflow Dumpsters to everyone."

Another glowing review says, "Brian provided excellent service during a large home clean-out. He delivered the dumpster promptly and at a difficult, but necessary location. Highly recommend."
