October 2021 (Sydney, NSW)?- Patioland proudly introduces and recommends the Shademaster because of its modern, slimline features and durable materials. Because of the Hunter Douglas Shademaster Patio system, The company have won numerous awards for quality. Shademaster has been designed and manufactured following the highest standards, ensuring outstanding performance and durability. Every roof steel and aluminium panel is crafted in Australia, where comprehensive care has been taken to create durable gloss finishes designed to withstand the harsh Australian climate. This ensures the most effective protection against corrosion, salt, heat and any other harsh conditions.

They also incorporated the high-quality materials of Shademaster into their shed's designs, offering an unmatched strength that is guaranteed to stand up in even the most challenging conditions. This makes Shademaster not just for roofs but just as ideal for sheds, carports and awnings.

Patioland is a Sydney-based company supplying high-quality sheds, carports, and awning products since 1986. They have been recognized as one of the top suppliers in NSW with their modern range of outdoor living solutions.

Shademaster features minimal maintenance with a durable and easy-to-clean finish. Eventually, clients will enjoy total peace of mind with a ten-year warranty on Steel or a 15-year warranty on aluminium Shademaster roof panels.

The company offers a tailored, award-winning service to satisfy any particular patio solution needs. The company offer a wide range of custom awnings, opening roofs, pergolas, gazebos, patio enclosures, insulated canopies and timber decking products. The extensive range includes a great range of colours and styles to complement any building. Patioland's Outdoor Living solutions are not only aesthetically pleasing but also functional.
