5 Star Movers LLC Introduces New Commercial Moving Service

October 25, 2021

October 25, 2021 -
5 Star Movers LLC has launched a new commercial moving service in the Bronx. Business owners will find it much easier now that this service is available.

The movers say they are excited about their newest venture so far. "The business owners love it!" said Howard Fredrickson, a commercial moving executive of 5 Star Movers LLC - Bronx Moving Company. "We have always thought that moving your entire company in one go would be a great option, so we are pleased to offer this now."

Commercial moving services are very competitively priced, making them an excellent choice for businesses on a budget. Additionally, the moving company can set the office up again in its new location after moving it.

"This new service greatly benefits mid-year moves," said Howard. "Another great advantage of this is that businesses relocating their office will be able to save money during the move."

Providing movers for businesses in the Bronx, 5 Star Movers LLC has fulfilled the dreams of countless people since its commencement. As they understand how stressful it is to relocate a company, they do all they can to alleviate it.

"In the best interest of your possessions, we take care of them as though they were our own," is 5 Star Movers LLC's mantra.

Over the years, they have proudly served businesses and residents across the nation, including neighborhoods like West Bronx, Morrisania, Concourse, Highbridge, North Riverdale, Williamsbridge, Tremont, and Morris Heights. Quotes are free, and customers pay once their goods arrive at the new destination. Only if they handle the move will they charge.

Customers can always obtain a quote by calling before reserving the date. They specialize in home and business moves, and only the most experienced, highly-skilled employees pack up offices. 5 Star Movers LLC is licensed and fully insured to ensure the safety of belongings during the move. Additionally, the company offers other services upon request.
