October 27, 2021 - PRESSADVANTAGE -

London, ON ? Triton Plumbing + Services, a 24-hour plumber in London, ON, is now offering water heater rentals. The ability to rent a water heater instead of outright buying one is an ideal option for many individuals, and the experts at Triton plumbing are eager to provide this benefit.

Triton offers water heater rentals for as low as \$13.36 a month, with the size options ranging from 40 gallons to 100 gallons. The type of water heater offered is the upright electric model, which has several significant features. This water heater has fully automatic thermostat controls, which enhances safety from overheated water. It also has direct heat transfer with immersed elements, allowing the heat to transfer directly and efficiently to the water.

In addition, clients who rent this water heater will enjoy its strong insulation system, including non-CFC foam that covers the sides and top of the tank, reducing heat loss. With the high efficiency of the upright electric water heater, clients can also save a lot of money on electric bills. Not only that, but the ability to rent is great

for those who need a water heater replacement but do not have the funds to purchase one. At a low monthly price, in addition to the money saved on electric bills, Triton's water heater rental is sure to take some financial burden off clients who need it.

Triton Plumbing + Services was founded by RSE Journeyman Plumber Aron O., who sought to make Triton a company characterized by friendliness, class, professionalism, and excellence, contrary to the negative stereotypes that are often associated with plumbers. Over the years, Triton Plumbing has been perfecting their craft, now offering a variety of services, such as pipe maintenance and repairs, kitchen and bathroom renovations, and water heater repair and replacement.
