In response to the great feedback received from the earlier webinar, Attorney Kevin Biniazan thought it would be a ?great idea to host another one about sexual abuse within the church.? During the webinar, Biniazan, Esq. and his legal team will be discussing ?how the church has been keeping abuse within their organization from being known to the public, as well as what society could do to hold these predatory priests accountable for their actions.?

?We must learn about and understand the many child abuse allegations that are being made against the clergy so that we can help victims and survivors get the justice they deserve,? stated the clergy abuse lawyer of Arizona. The webinar will be hosted on Saturday, Nov. 6, 2021, at 11 a.m. EST through Google Hangouts.
