

Hi Quality Turf: Added New Service Locations

November 08, 2021

November 08, 2021 - PRESSADVANTAGE -

November 2021 (Sydney, NSW)?- Hi Quality Turf just announced that they're opening up additional service locations, and now customers can easily shop from anywhere in the Sydney area. Before, their service location was only available in certain areas like Bankstown, Blacktown, Blue Mountains, Camden, Eastern Suburbs, Hills District, Liverpool, North Shore, St. George and Sutherland Shire. The new service location will be around the city, including Campbelltown, Central Coast, Gosford, Maitland, Newcastle, Northern Beaches, Penrith and Wollongong.

Hi Quality Turf is committed to providing the best possible service to all of their customers, and that's why they are expanding their service location map. Instead of travelling far to get a turf supply or delivery, people can go right around the city. Hi Quality Turf's turf supply and delivery service are the best in Sydney. They work with experienced staff, certified drivers and equipment to get the turf delivered or installed. Their quality includes climate control transport to keep their inventory at its best before arriving on site. They supply organic turf varieties with affordable lawn prices in commercial and residential lawns in Sydney. Customer satisfaction is their #1 goal, and they work with each customer to ensure their grass experience is perfect.

Their team is dedicated to preparation, lawn care, turf laying and growing turf such as Sir Walter Buffalo, Kikuyu and Couch variety lavishly in different Australian conditions. Their shop is located with a vast farm in Pitt Town Bottoms in Sydney and supplies to areas like Campbelltown, Windsor, Wollongong, Sutherland and more in New South Wales. The company owns several hectares of fertile organic soil to ensure that they will never run out of turf supplies for their customer. Their most efficient growing and laying techniques stood the test of time for almost 50 years. They are growing a variety of lawn turf ranging from Kikuyu grass, Couch grass, Buffalo grass, and Zoysia grass. They pride themselves in helping their customer's lawn look luscious and long-lasting green.
