After the positive response the Bowie office of the Maryland Injury Guys got on their first webinar, their dog bite injury lawyers decided to host another webinar. It will be held on Tuesday, Nov. 30, 2021, at 7 p.m. EST. The event will be targeting the areas of Bowie, Woodmore, Seabrook, Londontowne, Somerset, Goffard, Davidsonville, Lake Arbor, Fairwood, Glenarden, Parole, Greenbelt, Riva, Edgewater, Crownsville, Crofton, Mitchellville and New Carrollton.

?There were many people who asked about dog attacks during our last webinar. So our dog bite injury attorneys of Bowie thought it?d be wise to put together a session solely focused on dog attack injuries and what legal options victims of such incidents could have,? replied managing dog bite attorney Aaron Blank, Esq. when asked why the law firm decided to choose the topic of dog attack injuries. ?A lot of people didn?t know that victims of dog bites could file a claim too,? he went on to say.

Lawyer Blank and his team of dog bite lawyers are also experienced in handling claims and lawsuits related to car accidents, pedestrian accidents, birth injuries, offshore injuries, boating accidents, motorcycle accidents, slip and fall injuries, brain injuries, back injuries, child abuse, sexual assault, nursing home neglect, medical malpractice, work-related injuries, workers? compensation, and more. Their local Bowie law office is located at 17251 Melford Blvd #108-A, Bowie, MD 20715.
