Bedford Stuyvesant Brooklyn -- Personal injury rules have evolved so as to protect victims who may have been injured by another party. Under personal injury laws, a victim can file a personal injury claim or civil claim against the at-fault individual. These kinds of lawsuits entitle a victim to be recompensed for the harm done to them when it can be proven that negligence was involved. Personal injury attorneys direct and guide their clients through the process, negotiating on their behalf and prosecuting these lawsuits, when necessary. Samantha Kucher, Esq., founding attorney at the Kucher Law Group, has dedicated both her legal education and her career to personal injury law. After law school, she was heavily engaged in pro bono work, offering legal help to those with few resources. Since then, Ms. Kucher has devoted herself to fighting for victims' rights, especially those who have been injured because of the carelessness of others.

Due to Samantha Kucher's staunch advocacy for victims, Ms. Kucher's firm has received honors from organizations and clients alike. They were also named "Top 40 Under 40" civil plaintiff trial attorneys in New York by the National Trial Lawyers Association. Her clients

continue to deliver favorable reviews and testimonials in regards to their work together.

Nasir Orn from Bedford Stuyvesant Brooklyn states: "I got rear-ended while I was visiting my aunt in Brooklyn. My car was totaled. I?m originally from California and that was my first major accident. I wasn?t familiar with laws in NY. I didn?t know what to do. My relative recommended Samantha to me. I called her right away. She explained the entire process to me and made me calm down. Samantha and her team handled everything, from paperwork to collecting evidence. They kept me informed all the time. Samantha was responsive and excellent at following up after each step was taken. I never had to question if things were moving forward. Samantha took care of me and got me the compensation I needed for the injury and pain caused by the accident. Kucher Law Group gave me the best service I have ever experienced in my whole life. Highly recommend!!"
