David S. Leigh, Esq. is known for working hard for his clients. As founder and managing attorney at the Law Office of David S. Leigh, Mr. Leigh spent close to ten years working diligently for the rights of his clients, while holding responsible entities accountable for the client's injuries and damages. As a competent car accident lawyer in Manhattan, he has seen the pain and suffering that carelessness and recklessness can easily exact on victims and the unknown physical and financial burdens these kinds of actions leave behind.

During his career, Mr. Leigh has dedicated his law office to victims of car collisions, truck crashes, slip and fall personal injuries, wrongful death victims, and other serious personal injury matters in Manhattan. Although Mr. Leigh is both an experienced litigator and negotiator, he feels his primary talent is his capacity to appreciate his clients' circumstances and pay attention closely to their needs. He really wants each client to clearly understand what is happening at every point during their case and never continue without their informed input.

"Despite how complex a case is, every client should be able to understand exactly what is happening throughout their lawsuit, the possible repercussions, and to feel heard and understood. At our firm, we describe each step of the process so they can be active parties in their future," Mr. Leigh described. "Knowing I am an integral part in getting the client's life back on track is what makes me enthusiastic about practicing the law."

Mr. Leigh's customers seem to agree. Throughout his practice, clients have often shared how thankful they were for Mr. Leigh's effort and dedication to their lawsuit.

Marta Segarra from Manhattan writes: "Honesty. Integrity. Transparency. These are the hallmarks of a great law firm and Mr. Leigh encompasses that and more. He took care of my family when we needed it the most. We always felt that our case was Mr. Leigh's number one priority and that we could reach out to him anytime.

Other larger firms felt our case was too small; however, Mr. Leigh opened up his doors and took care of us as if we were family. We cannot thank Mr. Leigh and his staff enough!"

"I'm honored that our customers appreciate all that we do them. These evaluations and testimonials symbolize how dedicated we are to providing superior legal services for our clients," Mr. Leigh continued. "We only deal with contingency, so our clients never ever pay any legal charges unless we do our tasks and recuperate settlement on their behalf. Due to this, there is absolutely nothing to lose and everything to gain for someone who may have been injured by an irresponsible party."

Mr. Leigh and his group of car accident lawyers happily represent hard-working people throughout the city. While they mainly focus on accident law, as it includes members of the neighborhood, the law office has likewise assisted people with a range of legal concerns that a client may have encountered in their personal or professional lives.

Mr. Leigh comprehends no case is the same and each client is special, however, he deals with each claim with the same diligence and commitment to ensure each client's best interests and legal rights are represented.
