"Our team has been serving the greater Philadelphia area for years. Since we specialize in slip and fall injuries, it is no surprise that we have seen it all. However, the most common causes of slip, trip, and fall injuries are wet floors, uneven sidewalks, icy walkways, and stairwells," stated Keith Kofsky, the managing lawyer at Philly Slip and Fall Guys.

"Our experienced slip and fall attorneys in Center City will examine all the facts to determine the best course of action. For an unexpected injury, financial compensation is critical to cover the medical expenses and loss of wages due to the injury," Keith Kofsky concluded.

The Philadelphia slip and fall attorneys proudly serve residents in Philadelphia and the surrounding areas, including Chestnut Hill, Kensington, Roxborough, South Philadelphia, East Germantown, West Philadelphia, Manayunk, Harrowgate, and Port Richmond.
