

New Jersey and New York Estate Attorney Matus Law Group Holds Free Webinar: Wills & Trusts 101: Legal Strategies for Families with Special Needs

November 03, 2021

November 03, 2021 - PRESSADVANTAGE -

November 3, 2021: New York City - To help families who have a child or adult with a disability choose the best legal strategies and protect their loved ones, estate planning attorneys at Matus Law Group will hold a free webinar on the most essential estate planning tools, on Thursday, November 11.

Titled: "Wills & Trusts 101: Legal Strategies for Families with Special Needs" the webinar, which will be held from 6:30 p.m. to 7:30 p.m. EDT, will feature all the relevant information and specific tips that a family might need to create a solid estate plan.

Few things are more important than planning for the family's future. And the estate planning lawyers from Matus Law Group, who's been helping families ensure financial security and a continued legacy, know this very well.

Matus Law Group's Founding Attorney Christine Matus, an experienced and trusted New Jersey estate planning lawyer dedicated to helping families plan for life and care for loved ones, will host the webinar. Ms. Matus' associate Kristine M. Carranceja-Gurski is a New York estate attorney.

To register contact Matus Law Group. The webinar is open for everyone and is free of charge. Due to the limited space, it is advised to reserve the seat in advance.

The webinar is held in partnership with Allied Wealth Partners dedicated to helping families with special needs children with their financial matters and will be joined by Earl Pederson and Barry Friedson from Special Needs Division.

"If you do not have a solid estate plan, your loved ones may be vulnerable," said Christine Matus. "A special needs estate plan provides for the future of your disabled family member so you can have peace of mind about their care and comfort. If you were thinking about designing an estate plan to help protect your loved ones, do not miss this opportunity."

The webinar will provide a comprehensive study of legal strategies suitable for the unique estate planning and financial considerations of families with special needs. Christine Matus will help to discover all there is to know about:

- Supplemental Needs Trusts (SNT)
- How you can access government benefits like Medicaid and SSI
- The advantages and disadvantages of SNT
- The differences between a First-Party SNT and a Third-Party SNT

For over twenty years, Matus Law Group has been offering estate planning and elder law guidance to special families, giving their attorneys much-needed expertise to guide the client through the process of creating a comprehensive estate plan.

About Matus Law Group

Matus Law Group has been offering its services in estate planning and real estate law for more than two decades. In addition to general estate planning, Matus Law Group attorneys specialize in estate planning for clients who have a family member with special needs and elder law guidance.

The team of dedicated special needs lawyers has firsthand experience and knowledge of special needs families and is here to help families understand the best ways to protect their assets. To get more information on the webinar or contact Christine Matus directly visit Matus Law Group.
