Quincy, MA ? Numismatist, anyone who collects numismatic items, especially coins in Boston, only has one place to go to, Beantown Coins.

Beantown Coins is where every numismatist goes to buy, sell, and trade collectible coins. The company buys and sells ancient coins both wholesale and retail, focusing on premium quality samples and scarce dates and types. Beantown Coins presently have more than 40 ancient coins in their collection, with prices ranging from \$90 to \$3,950. It includes seven types of US coins, 18 types of world coins, and Exonumia.

Buy and Sell Coins Boston has an extensive collection of high-quality rare and collectible coins, making them a team to beat when it comes to numismatics. But, more than selling and buying coins, Beantown Coins is also educating the Boston community about ancient coins, aiming to pass the love for numismatics to the next generation.

Beantown Coins states that their clients can count on their integrity and fairness as their guiding qualities. Whether they are experienced numismatists or novice family members who are settling the estate of a loved

one?we will continue to represent the high standards of generations of rare coin dealers, becoming a major presence in rare coins worldwide.?

The Boston coin expert is a proud member of the following: American Numismatic Association, Numismatic Guaranty Corporation, Central States Numismatic Society, Professional Coin Grading Service, and Florida United Numismatists, Inc. With these affiliations, the Numismatic Coins in Boston is one of the biggest names in the industry.

Beantown Coins also have a vast network. The ancient coin expert attends dozens of significant events and exhibits around the US, giving numerous sales channels. This network helps them maximize product returns by recognizing the demands of particular dealers and the regions where certain items are widely desired.

The Boston company is currently headed by skilled numismatist Joseph Palmier. He is an expert in branding, company management, and advertising, which helped him reach the top of his game.

?With over 50 years of experience in the numismatic industry, our knowledge, reputation, and extensive network has allowed us to offer the highest rates possible to public sellers while using our established and vast network of collectors to identify the perfect buyer,? the company adds.
