Allerton, Bronx -- Personal injury rules have evolved to safeguard victims who have been hurt by another entity. Under personal injury rules, a victim can submit a personal injury case or civil lawsuit against the at-fault entity. These kinds of lawsuits entitle a victim to be compensated for the injury done to them when it can be proven that negligence was involved. Personal injury attorneys direct and guide their clients through the process, negotiating on their behalf and litigating these suits, if necessary.

Samantha Kucher, Esq., founder lawyer of Kucher Law Group has dedicated her entire career and education to accident law. After law school, she became heavily involved in pro-bono work, which provided assistance for those with limited resources. She has dedicated her life to fighting for victims' rights, particularly those who have been injured by negligence and neglect of others.

Samantha Kucher's tireless advocacy for victims has earned her awards from both customers and organizations. Her firm has been rated a "Rising Star", by Super Lawyers 2020, and among Thomson

Reuters' "Super Lawyers 2020." The National Trial Lawyers Association also named them a "Top 40 Under 40" civil plaintiff trial lawyer representative in New York. They continue to receive positive reviews and testimonials about their legal representation.

Tyler Dan from the Bronx states: "The lawyers at Kucher Law Group are amazing. Their entire staff was very helpful from the beginning of my case to the end of it.
