

Insurance Covered CPAP Helps Sleep Apnea Patients Get Their CPAP Products Covered by Insurance

November 15, 2021

November 15, 2021 - PRESSADVANTAGE -

Insurance Covered CPAP is offering help to sleep apnea patients get their continuous positive airway pressure (CPAP) products get covered by insurance. Sleep apnea is a serious health condition that has been estimated to affect more than 25 million Americans and CPAP products, such as CPAP machines, CPAP masks and other CPAP supplies are needed by obstructive sleep apnea patients to breathe more easily during sleep.

A CPAP machine works by increasing air pressure in the throat of the patient while asleep so that the airway doesn't collapse while breathing in. It is typically used with a CPAP mask that either covers the nose only or both nose and mouth. There are also a number of CPAP supplies, such as CPAP mask wipes, CPAP pillows, CPAP tubing wrap, CPAP UV sanitizer, replacement cartridge filter kit, CPAP cleaner and sanitizer, lumen replacement bulb, and more.

A spokesperson for Insurance Covered CPAP says, "Our mission is to help you qualify for your CPAP machine and supplies through insurance. We work on your behalf with your insurance company to ensure your CPAP is covered through insurance and delivered directly to you. Our company is proud to be

accredited by the Joint Commission. Once you submit your Qualify Through Insurance form, we will contact your insurance to verify coverage and submit all required paperwork on your behalf. If you have any questions, don't hesitate to speak with a member of our customer service team. You can check out our Contact Us page or call us on the phone.?

Through the Qualify Through Insurance online form on their website, sleep apnea patients can get their CPAP products covered in three simple and easy steps. First, they provide their information such as where they live and their insurance provider. Second, they provide their insurance information. And third, they will answer some CPAP questions.

They offer various CPAP machines from trustworthy manufacturers. These include the: AirSense 10 CPAP machine from ResMed; Luna II CPAP machine from 3B Medical; AirSense 10 AutoSet with HumidAir and ClimateLineAir Tube from ResMed; DreamStation 2 Auto CPAP machine from Philips Respironics; Luna II Auto CPAP machine from 3B Medical; Resvent iBreeze Auto CPAP machine from Resvent; AirCurve 10 VAuto with HumidAir and ClimateLineAir from ResMed; and Luna Bi-PAP machine from 3B Medical.

They also provide different kinds of CPAP masks. These include the: AirFit F20 from ResMed; AirFit F30i from ResMed; AirFit N30 from ResMed; AirFit N30i from ResMed; AirFit P30i from ResMed; Amara View Full Face Mask from Philips Respironics; DreamWear Fit Pack from Philips Respironics; DreamWear Full Face Mask from Philips Respironics; DreamWear Nasal Mask from Philips Respironics; DreamWisp Nasal CPAP Mask from Philips Respironics; Eson Nasal Mask from Fisher & Paykel; Rio II Nasal Pillow from 3B Medical; Siesta Full Face Mask from 3B Medical; Simplus Full Face CPAP Mask from Fisher & Paykel; and Wisp Mask and Headgear from Philips Respironics.

Insurance Covered CPAP, a MedSource LLC company, has the goal of helping sleep apnea patients have a better night's sleep. They only work with the most trusted and reliable manufacturers, such as Philips Respironics, Fisher & Paykel, ResMed, Resvent, and 3B Medical. Patients may be able to have their quality CPAP products covered by insurance after they complete a simple Qualify Through Insurance Form. Once the approval has been provided by the patient's insurance company, Insurance Covered CPAP will ship the CPAP machine, mask and supplies directly to the patient's address.

And for those who require to undergo a sleep test used to diagnose sleep apnea, the company also offers a cost-effective and convenient at-home sleep test, which will certainly make the qualifying process for having insurance cover the CPAP products much easier. Most insurance plans including Medicare and Medicaid will be able to cover the CPAP machine, mask, and supplies. It is also likely that they will also cover replacement supplies. Insurance Covered CPAP is an in-network provider with most insurance plans.

Those who are interested in learning more about the services provided by Insurance Covered CPAP can check out their website at insurancecoveredcpap.com, or contact them on the telephone.
