Missame Affordable Makeup Brushes Selected For Amazon Lightning Deals

October 22, 2015

October 22, 2015 -
Sacramento, California based beauty supply company Missame LLC has announced that their popular makeup brush set has been chosen by Amazon as part of the upcoming Lightning Deals. The deal is scheduled for October 31, 2015 and will last for four hours, from 6:30 a.m. until 10:30 a.m., after which time, regular pricing would return.

Amazon only invites sellers to take part in the lightning deals if their accounts and reputations are in good standing. Only those with highly rated product reviews are asked to participate. Missame Founder Amy Ng felt both surprised and humbled that Amazon had selected her company's product to be included in the said deal page.

"We are so pleased to have our makeup brush set chosen for this exciting deal," states Amy Ng. "We're even more pleased that our customers will have a chance to purchase our Missame makeup brushes at an affordable price."

Amazon's Lightning Deals offer additional discounts on sales priced items but with a limited number of units

available for a limited time. Customers who are part of the Amazon Prime membership also receive free shipping on all orders that total more than $35.

"Our makeup brush set is popular across all age groups," states Ng. "This is a chance for those new to our products, and more specifically to our makeup brushes, to own a set at an easy affordable price. And with the holiday shopping season coming up, there couldn't be a better time for the deal."

The brush set was chosen in part due to its more than 350 positive customer reviews. It contains a Kabuki brush in addition to brushes for contouring, foundation, blush, bronzer, and eye shadows. Ng states that since its original release, the brush set has been a very popular Amazon product.

Missame LLC provides a wide variety of health and beauty products, and their brush set is among their most popularly chosen by customers around the world. Amy Ng states that the company is truly honored to be chosen for Amazon's Lightning Deals and that she hopes customers will enjoy their brush sets at the lower price during the promotion.
