David S. Leigh, Esq. is no stranger to working very hard for his personal injury clients. As managing attorney and founder at Law Office of David S. Leigh, he spent almost 10 years fighting hard for the legal rights of his clients, holding negligent parties responsible for the client's damages and injuries. As a skilled slip and fall attorney in Edenwald Bronx, he has seen the pain and suffering that carelessness and recklessness may exact on innocent victims and the staggering financial and physical burdens these decisions leave behind.

Over his career, Mr. Leigh has dedicated his law office to victims of car crashes, truck accidents, slip and fall personal injuries, wrongful death cases, and other serious personal injury cases in Edenwald Bronx. Although Mr. Leigh is both a skilled negotiator and litigator, he feels his main talent is his capacity to appreciate his clients' circumstances and listen closely to the client's needs. He really wants every client to understand what is happening at every juncture during the case and never goes ahead without the client's informed suggestions.

"No matter how complex a personal injury case is, every client should be able to understand exactly what is going on throughout their lawsuit, the possible repercussions, and to feel heard and understood. At our firm, we explain each action of the procedure so that the clients can be active participants in their future," Mr. Leigh discussed. "Knowing I am an integral part in getting their life back on track is what makes me passionate about practicing the law."

His customers appear to concur. Throughout his practice, clients have often discussed how thankful they were for his effort and dedication to their lawsuit.

Dale Conn from Edenwald Bronx writes: "David Leigh as well as the office staff was actually outstanding in assisting me following my slip and fall accident. This lawyer puts in the time and care to attend to your needs and secures you the best end result for your case that is possible. David will not back down! This office treats you as if you're family and every time I called them, somebody got in touch with me in just a few hours via phone or email. They are a 5-star law firm."

"I'm honored that our clients appreciate everything that we do for them. These reviews and testimonials signify how committed we are to offering superior legal services for our clients," Mr. Leigh continued. "We only deal with contingency, so our clients never ever pay any legal costs unless we do our tasks and recover compensation on their behalf. Because of this, there is nothing to lose and everything to gain for someone who may have been hurt by an irresponsible party."

Mr. Leigh and his team of slip and fall attorneys happily represent hard-working people throughout NYC. While they mostly concentrate on personal injury law, as it includes members of the community, they have also assisted people with a range of legal issues that a community member may have come across in their personal and professional lives.

Mr. Leigh comprehends that every case is different and each customer is unique, but, he takes on each claim with the exact same diligence and commitment in order to guarantee each client's best interests and legal rights are represented.

David S. Leigh, Esq. and the Law Offices of David S. Leigh are proficient slip and fall attorneys with close to a decade of experience representing victims of negligence.
