November 16, 2021 - PRESSADVANTAGE -

Germantown, PA ? The Germantown personal injury lawyers have announced their next webinar to inform victims of personal injuries about their legal rights. To learn more, visit their website at <https://justiceguardians.com/pa/germantown-philadelphia/>.

?At Justice Guardians Germantown, our experienced lawyers understand the pain and suffering that victims of personal injuries go through. Even when we are with our clients every step of the way through the legal process, the moment of confusion and uncertainty that they had after an accident added more to their trauma. Our injury lawyers don?t want such a thing to occur, so we have prepared this webinar in hopes of providing our community with information about their legal rights and options in the event that they have been subjected to injuries caused by another?s negligence,? stated managing personal injury attorney David Petrone, Esq.

The informative webinar will be held on Tuesday, December 7, 2021, at 3:30 p.m. EST through Google Hangouts. It will be available for the servicing communities of Germantown, Roxborough, Chestnut Hill, Wister, Penn-Knox, Andorra Woods, Whitemarsh Woods, Mt. Airy, East Germantown, Morton, East Falls, Manayunk, Whitemarsh Hunt, Lafayette Hill and Wissahickon Valley Park.
