November 18, 2021 - PRESSADVANTAGE -

Boerum Hill, Brooklyn -- Personal injury rules have been developed in order to protect victims who have been injured by another entity. Under personal injury laws, a victim can submit a personal injury claim or civil lawsuit against the at-fault individual. These kinds of lawsuits entitle a victim to be compensated for the injury done to them when it can be proven that carelessness was involved. Personal injury attorneys direct and guide their clients through the process, negotiating on their behalf and litigating these claims, when necessary.

Samantha Kucher, Esq., a founding lawyer at the Kucher Law Group, has dedicated both her career and her education to injury law. After law school, she was heavily involved in pro bono work, offering legal guidance to those with few resources. Ever since, Ms. Kucher has committed herself to fight for victims' rights, especially those who have been injured because of the neglect and carelessness of others.

Because of Samantha Kucher's staunch advocacy for victims, Ms. Kucher's firm has received accolades from

companies and customers alike. Members of her firm have been rated a "Rising Star" by Super Lawyers in 2020 and also named one of Thomson Reuters "Super Lawyers 2020." They were also named a "Top 40 Under 40" civil plaintiff trial lawyer in New York by the National Trial Lawyers Association. Her clients continue to offer positive reviews and testimonials in regards to their work together.

Beatty Long from Brooklyn states: "This lawyer was my pick when a car accident lawyer. Samantha and her firm managed my lawsuit in an extremely professional way. These guys were both knowledgeable and understanding. I felt like they really cared for me and kept me updated on every step of the process. In the event that you are searching for legal support after a car accident, I strongly recommend a meeting with this law firm. Any first-time appointment is free, (to my knowledge). You have nothing to lose and everything to gain!"
