David S. Leigh, Esq. is no stranger to working very hard on behalf of his personal injury. As founder and managing attorney at the Law Office of David S. Leigh, has spent close to ten years fighting hard for the benefit of his clients, helping to hold responsible entities responsible for the client's damages and injuries. As a skilled slip and fall attorney in Fordham Bronx, Mr. Leigh has seen the pain and suffering that negligence and recklessness can exact on victims and the staggering financial and physical burdens these decisions may cause.

During his decade as an attorney, Mr. Leigh has committed his law office to victims of car accidents, truck accidents, slip and fall incidents, wrongful death victims, and other serious personal injury matters in Fordham Bronx. Although both an experienced litigator and negotiator, he feels his primary talent is his capacity to understand his clients' situations and pay attention closely to their concerns. Mr. Leigh really wants every client to understand what is happening at every point during the case and never continue without their informed input.

"No matter how complicated a personal injury case may be, every client should be able to understand exactly what is going on throughout their lawsuit, the possible effects, and to know that they are heard and understood. At our firm, we discuss each step of the procedure so they can be active participants in their future," Mr. Leigh discussed. "Knowing I am an essential part in getting the client's life back to normal is what makes me enthusiastic about practicing the law."

His clients seem to agree. Over the course of his career, clients have shared how thankful they were for Mr. Leigh's effort and commitment to their claim.

Sanford Senger from Fordham Bronx writes: "Mr. David Leigh represented my husband in a slip and fall case. We wanted to hire a local slip and fall lawyer who's familiar with New York laws and he didn't let us down. David kept us informed all the time. He and his team were professional and really caring. It was great working with them. Highly recommend!"

"I'm honored that our customers appreciate everything that we do for them. These evaluations and testimonials represent how committed we are to offering exceptional legal services for our clients," Mr. Leigh continued. "We only deal with contingency, so our clients never pay any legal charges unless we do our jobs and recuperate payment on their behalf. Because of this, there is nothing to lose and everything to gain for someone who has been hurt by a negligent party."

Mr. Leigh and his team of slip and fall attorneys proudly represent hard-working individuals throughout New York City. While they primarily concentrate on accident law, as it involves members of the neighborhood, they have also helped people with a range of legal concerns that a community member may have come across in their individual and professional lives.

Mr. Leigh comprehends no case is the same and each client is special, however, he takes on each claim with the exact same diligence and dedication in order to guarantee each client's best interests and legal rights are represented.
