

The Personal Injury Lawyer Of Exton To Host Educational Webinar

December 01, 2021

December 01, 2021 -

Exton, PA ? The Exton personal injury attorneys are hosting their first webinar on the importance of seeking legal representation for victims of accidents. For more information, visit their website at <https://justiceguardians.com/pa/exton/>.

The educational webinar will be held on Saturday, December 11, 2021, at 5 p.m. EST through Google Hangouts. It will be hosted by managing personal injury attorney David Petron, Esq. and his legal team at 495 Thomas Jones Way #304-C, Exton, PA 19341.

?Our Justice Guardians believe that all victims of injuries should have the right to legal representation. Therefore, our personal injury lawyers have made ourselves available 24/7 to assist those in need at (484) 214-4985. However, we also want to be there for our community as a whole because we know, once someone has been subjected to an accident, they might not be in the right state of mind to hear about their legal options. Hence why we have decided to host monthly to provide more legal information for participants,? stated Lawyer David Petrone.

The Exton personal injury attorneys are responsible for representing the communities of Exton, Ackworth, Lionville, Lyndell, Ludwigs Corner, Glenmoore, Fisherville, East Nantmeal, Downingtown, Eagle, Chester Springs, Franklin Center, Caswallen, Marshalltown, Franklin Center, Altor, Wester Chester, Thorndale, and Woodward's Corner. They have had many years of experience in handling cases relating to personal injuries, car accidents, bicycle accidents, motorcycle accidents, slip and falls, wrongful death, brain injuries, workers' compensation, medical malpractice, construction injuries, nursing home abuse, sexual abuse, train injuries, dog bite injuries, unpaid overtime, swimming pool accidents, birth injuries, and construction injuries.
