

Metropolis Resort Schedules Ladies Night Shopping Event For November 12, 2015

October 27, 2015

October 27, 2015 - PRESSADVANTAGE -

Metropolis Resort in Eau Claire, WI, has announced that they are holding Ladies Night in the City on November 12, 2015. The event this year will be larger than ever, with vendors spread out over two floors in the resort. Full details about the event are available on http://www.metropolisresort.com/ladies_night_2015.

"We're blowing up Ladies Night in the City this year by bringing in twice as many vendors and utilizing both of our banquet rooms," says Fiona Coopman from Metropolis Resort. "This year is going to be bigger than ever and will also include opportunities to win some door prizes."

The event is an opportunity for women to come together with mothers, sisters, daughters and girlfriends. It will be a relaxing evening where they can enjoy cocktails, try out some new products and shop. Whether they want to treat themselves to something special or whether they are specifically looking for home or holiday products, or even gifts, everything is available during the event.

Several prizes will be offered as well. The grand prize is being offered by UPS and is a \$500 shopping spree with Scheels. Additionally, the first 100 customers to check-in at registration will be given a free Scheels swag

bag. Inside the bag are a number of goodies, as well as a \$10 Scheels gift card.

Tickets can be purchased online or at the door. Tickets purchased online are available for \$5/person, while tickets at the door will sell for \$7/person. Women can also register their interests by joining the company's event on Facebook on https://business.facebook.com/ladiesnightinthecity?business_id=10156090658105181. By joining the Facebook event, they will also be kept up to date on new businesses that are being added, other prizes, and further details about the event itself.

"We really want to encourage women to join our Facebook event," adds Fiona Coopman. "Not only will this keep them up to date with developments, it will also remind them of the schedule for the event."

Those who wish to purchase tickets online can do so through <https://www.metropolisresort.com/store/products/ladies-night-in-the-city>. Purchasing tickets in advance means being included on the will-call list.
